

How to obtain a safe and certain 5% for your savings in place of the usual 3%.

To increase the rate of interest earned by your savings is to increase the savings themselves in a very marked way. Thus, if you save \$100 every six months for 10 years, at the end of that time you would have \$2,618.33 if invested at 5 per cent., but only \$2,347.05 if invested at 3 per cent.

That is, while the yearly amount saved is the same in both cases, the higher rate of interest has added over \$271.00 to your capital.

This result can be safely and easily secured by investing in Standard Reliance Mortgage Corporation 5% debentures, which are issued in amounts from \$100 to \$10,000.

Interest at 5% is payable in cash at your local bank on the day it is due. Principal on the date agreed upon.

An interesting booklet about "PROFITS FROM SAVINGS," which gives some very valuable advice, will be sent free on request. Write for it to-day.

EDWARD LEIGH PELL, D.D.

WHAT DID JESUS REALLY TEACH ABOUT WAR?

Unquestionably war is a matter of conscience. But in Dr. Pell's opinion what America is suffering from just now is not a troubled conscience so much as an untroubled conscience. That is why this book does not stop with clearing up troublesome questions.

13. The delegates from the Union to corresponding bodies, who may fail to fulfil their appointment by personal attendance, shall address these bodies by letter, communicating in substance such information and sentiments as they would furnish if they were present at their annual convocations.

14. All supplies of pulpits required during the Sunday in which the Union is in session, which are not otherwise provided for, shall be filled by the Nomination Committee in connection with the pastor of the church where the Union is held, and a copy of such appointment shall be posted on the door of the church where the Union is assembled.

15. In order to facilitate the introduction of properly accredited preachers to churches connected with the Union which may require pulpit supply, the General Secretary is authorized to send to secretaries or pastors of churches a list of preachers approved by the Executive Committee.

16. The term of office of the Chairman and Recording Secretary shall be the calendar year subsequent to that in which they were elected.

REPORT OF THE EXECUTIVE OF THE CONGREGATIONAL UNION OF CANADA FOR THE YEAR ENDING JUNE 1st, 1917

For the third time the Union meets under the shadow of the great war. It has been a joy to see the signs of coming victory in the French and British gains on various fronts. It has been with gladness that we have marked the gradual coming into sympathy with the Allies of so many nations, small and great, so that the moral sentiment of almost the whole world is now solidified against Germany and her Allies.

It has been with great satisfaction that we have welcomed to the ranks of our Allies, our great older sister, the United States, whose joining with the Empire in war will not only wipe out old memories and antagonisms, but promote future united action by the English speaking nations for the welfare of the world. In Russia the course of events, though fraught with immediate difficulty, promises for the future a marvellous development when religious freedom and democratic government have been finally secured.

While all these things are encouraging, there is no prospect of any ending of the war yet in sight and upon our Canadian homes there rests ever more and more heavily the sorrow and suffering of war, and our hearts go out in sympathy to the sorrowing.

Of the members of this Union, Rev. H. I. Horsey is now serving as Chaplain in the Hospitals in London, Rev. W. J. D. Gibson is Quarter-master Sergeant in the Nova Scotia Highlanders, Rev. Merton Smith is Chaplain of the Western Irish, Rev. Geo. J. Hindley is Corporal in the 204th, Rev. W. H. Hill is in the Second Canadian Army Medicals, Rev. Jos. Thackeray is Captain in recruiting work for the artillery.

Of the members of the Union having sons in khaki the list grows steadily longer and now includes Dr. Pedley, Dr. Warriner, Dr. Silcox, Dr. Ralph, Dr. F. W. Macallum, Dr. Braithwaite, and Revs. G. H. Craik, J. P. Gerrie, T. W. Davidson, J. Thackeray, G. Ellery Read, Merton Smith, E. D. Silcox, J. W. Pedley. Some of these brethren have two sons in uniform and Rev. Merton Smith has three. Of the members of the Union, Rev. T. B. Hyde and Rev. Dr. Ralph have lost sons by death, and the son of one of our former members, Rev. C. E. Bolton, has also been killed.

It was felt by your Executive that as the enrolment of men denominationally had been far from correct, we should take steps to find out just how many of our Congregational people had enlisted. The list is not quite complete, but is sufficiently so to enable us to say that about twenty-five hundred names are on the list, so that Congregationalists from a total under pastoral care of 33,000 have contributed two full battalions to our Canadian Expeditionary Forces.

Some churches have simply sent in the list of names without any further information, but the lists so far disclose 115 killed, 24 prisoners, 106 wounded. Nor are there honors lacking to our men, ten Military Medals and one French Legion of Honor being noted, and promotions uncounted.

From the individual churches: Winnipeg, Central, reports almost 400 on their Honor Roll; Bond Street sent nearly 200; Calvary, Montreal, has 133, and Victoria, 122; Brantford contributed 104; Point St. Charles comes close to the even 100; Western, Toronto, has 67; Broadview, 66; and Hamilton, First, 63; Vancouver, First, with 61, and Ottawa, Welcome Zoin, with 59 come close together; Zion, Montreal, sent 54; Emmanuel, Montreal, has sent 49; Cobourg, 48; Olivet, 47; Amherst Park, 45, and Northern, Toronto, 40. Other churches have sent in proportion, the Nova Scotia churches have given well, and there are several reported from our Russo-German churches in the West.

Our churches have evidently done their share.

In regard to the Soldiers' Booklet, we have shared in the issuing of the third edition, an extra edition of ten thousand, and have paid our proportion of the

APPORTIONMENT AND RECEIPTS OF GENERAL FUNDS FOR 1917-18.

cost. Good reports have come to us from the soldiers as to the help found in the little booklets. Since the United States entered the war, copies have been asked for by friends of the boys who are enlisting in the United States forces.

The general reports of the work of our churches in Canada will be presented to you by our Statistical Secretary and will show that under all the strain our people have been bearing steadily and generously the work of the local churches. They have done well also for the regular funds of the Church considering the multitude of other appeals to which their hearts are peculiarly open at this time. The outstanding feature of the year has been the Dondi Campaign, so successfully carried on by the Foreign Missionary Society which will be fully reported at their meeting. The development of Boys' Work and the use of the Church forces to increase production have also been features of the year.

The receipts for the various funds for the year just ended, and the apportionment for the following year are on the opposite page.

In Inter-Denominational relations, the year has been marked by the decisive vote of the Presbyterian Assembly in favor of organic union, and by the comprehensive plans for present co-operation agreed upon, which will be presented to you by the Committee on Co-operation.

The plans for the World Conference on Faith and Order have gone steadily ahead and a preliminary meeting of representatives of the various churches held.

During the year we have lost by death two members of our Union, Rev. W. W. Smith, and Rev. Edwin Hobbs, while two brethren not formally members of the Union, but meeting with us in hearty fellowship, Rev. A. B. Sherk and Rev. H. F. Hallett, have also passed away. Resolutions of sympathy have been sent by the Executive to the families. Just before these meetings, after a long and honored life, our loved veteran, Rev. D. Macallum, entered into rest.

The programme as arranged is herewith submitted to you. Remembering the fiftieth anniversary of Confederation, we have arranged an address on this subject by Rev. W. E. Gilroy, B.D. We are also to have with us Rev. D. Brewer Eddy, Associate Home Secretary of the American Board of Commissioners for Foreign Missions. Mr. Eddy will be welcome to us not only for the sake of the Board he represents, but for his own sake, and for the sake of the service he has already rendered in connection with his brother, Sherwood Eddy, in the camps of our British soldiers. He will represent to us also the new and closer bond with the United States and our Congregationalists across the line. From our sister church in Canada, the Presbyterian Church, we have borrowed in anticipation of Union, Rev. Prof. T. B. Kilpatrick, who will speak to us on College Night; he will be welcome for his own sake, and as a foretaste of the richer fellowship which with Union will come to all three of the uniting churches.

The devotional hours will be in charge of Professor Greaves, one of the members of our Northern Church, Toronto, teaching in Victoria College.

It is our pleasure for the first time to meet in the new Calvary Church, to enjoy its fine building and the warm hearted hospitality of its pastor and people. We pray that the meetings may be blessed both to hosts and guests.

Respectfully submitted,

W. T. GUNN, Secretary.

Representative on Interdenominational Council or Work Among Non-English Speaking Races in Montreal.—Mr. Geo. E. Williams.

Representatives to National Council—Revs. Dr. Pedley, Dr. Day, H. J. Kilbourn, E. Munson Hill, D.D.

Rev. F. J. Day presented the report of the Social Service Committee, as follows:

Matters of special interest that have had the attention of the Council, and concerning which your Committee desire to present the following resolution:

1. Concerning the Patronage System in politics:

Be it resolved, that inasmuch as the evils of the Patronage System in politics are being increasingly recognized, and its extreme peril to the moral life of the nation more clearly understood, we, therefore, earnestly call upon the Federal Government, and the various Provincial Governments, without delay, to abolish the Patronage System, root and branch, and to substitute therefor a carefully planned and non-partisan system of administering the public service.

2. Concerning Race Track Gambling. (Educational Campaign, report of Mr. Raney):

That in as much as, notwithstanding war time conditions and the necessity of national economy and simplicity of living, the business of race track gambling has prospered and expanded with all the attendant evils, such as the annual invasion of a host of undesirables who can find no similar places of gain in the United States, the constant encouragement to the gambling habit placed before our young people, and the employment of immense sums of money both in the gambling itself, and the accompanying extravagance of social customs which might be diverted into channels of national service.

And, inasmuch as we believe that race track gambling at any time is a serious menace to public morals.

We, therefore, express our appreciation of the action of the Dominion in prohibiting such gambling during the time of the war, but earnestly express the hope that the Criminal Code may be so amended as to make it an offence for all time.

PROHIBITION.

Your Committee has watched with increasing satisfaction the growing interest manifested in Temperance Reform throughout almost the entire civilized world since the outbreak of this awful world-wide war, and if no other good shall come out of the war, it is a matter for thankfulness that the conscience of the world has at last awakened to the realization of the wrongs inflicted on a people by the license system with all its attendant evils, and have sought by legislation to restrict and prohibit the traffic in all its ramifications. This condition of things is seen in Russia, France, the United States, Newfoundland (and restric-

tions in Great Britain), and in the Dominion of Canada. Being more zealously affected toward our own land and nation, we, therefore, take great pleasure in submitting the following:

RESOLVED: That we, the members and delegates of the Congregational Union of Canada in annual meeting assembled in the city of Montreal, would most respectfully call upon our Dominion Parliament at Ottawa to enact such a law as shall prohibit absolutely the manufacture and sale of all and every kind of intoxicating drinks, for beverage purposes, throughout the entire Dominion, and especially during the continuance of the war.

Nothing short of "bone-dry" prohibition will meet the conditions that confront us, and we would further urge our legislators to make the most effective regulations with reference to the enforcement of such law, safe guarding it at every point.

While expressing our great satisfaction at the action of the Province of Ontario, together with seven others, having secured prohibition we feel that the time is ripe to bring into operation as speedily as possible a Nation-Wide Prohibitory Measure, as being the only effective way of dealing with such a problem. In view of the probability of the nation to the south of us taking such action, this Union pledges itself to do all in its power to bring about and enforce a prohibitory law, not only for the Dominion of Canada, but as far as in our power, for the whole Continent of America, and for such legislation there never was a more opportune time than the present, and may God hasten its consummation.

On motion the report was adopted with the resolutions contained.

The General Secretary then read the following resolution.

"That this Union record with gratitude the Christian generosity of the late Francis Scholes and Mrs. Scholes. By their liberal gifts to our denominational funds during life, and the very generous legacies left to our funds and to the good causes they have set for all our people, a splendid example of thoughtful, large-hearted Christian generosity.

We express also our appreciation of the work of Mr. Charles R. Black as executor of the estate."

The Publishing Committee's annual report was presented by Dr. C. J. Copp, and adopted, as follows:

REPORT OF THE PUBLICATION COMMITTEE OF THE CONGREGATIONAL UNION OF CANADA FOR THE YEAR
ENDED MAY 31st, 1917.

Your Committee begs to report the regular publication of the "Canadian Congregationalist" in fifty weekly issues, two weeks of the year being omitted in August, 1916, also the publication of the Canadian Congregational Year Book. Rev. E. D. Silcox has been editor and business manager, and Rev. H. J. Kilbourn has continued to edit the Young People's Department, which was introduced by him with so much acceptance about two years ago. Our editors have been assisted by many friends of the paper, but your Committee desires to express its appreciation of the devoted service given to the work by these gentlemen.

The Year Book was printed by the Armac Press at about the same cost of the previous Book. The "Congregationalist" was printed by Mr. Alex. Anderson at an increased cost of \$283.65 over last year, this has been due to the increased cost of time and material incident to war conditions.

The paid up subscriptions to the paper amount to \$213.90 less than last year, and the receipts from advertisements amount to \$317.21 more; this is due largely to Government publicity advertising.

Commissions on Advertisements are on a percentage basis, and are in excess of last year, special subscriptions are \$234.53 less.

Receipts from sale of Year Books are \$103.83 more than last year, and from advertising \$20.56 less.

The net result of the year's business finds your Committee with liabilities of \$297.56 and assets of \$218.19 or a deficit of \$79.37.

Your Committee has met five times during the year, and the Rev. Frank J. Day, M.A., D.D., has acted as secretary-treasurer, vice, Mr. H. W. W. Copp on Overseas Service. To meet the increased and growing cost of publication we would recommend to the Union that the "Canadian Congregationalist" be issued as a weekly through the coming year, excepting as follows: One issue only in July, one issue in August and two issues in September.

We desire to express our thanks to those who have assisted the work of the Committee by their continued support of its publication and especially to those who have so worthily assisted our editors.

There is no doubt that cost of publication will increase in the coming year and the most loyal support must be continued to assure the incoming committee in carrying on its work. This we are confident will be the case as we recognize the importance of these publications to our denominational life.

Respectfully submitted,

CHARLES J. COPP,
Chairman.

E. J. JOSELIN, Auditor.

On motion of Dr. C. J. Copp, seconded by Rev. Dr. Day, it was decided to grant the Publication Committee \$100.00 to cover the year's deficit.

The chairman of the Membership Committee moved "That the Rev. A. E. Gregory now be received into full membership of the Union, whose application was received last year under standing Rule No. 1." This was carried.

The report of the Department of Sunday Schools and Young People's Societies was presented by Rev. H. J. Kilborn, B.A., who moved its adoption. On being seconded by Rev. E. D. Silcox, the report was adopted.

Rev. W. H. Warriner presented the Report of the Committee on Church Union, as follows. With this report there is also incorporated the Report of the Committee on Co-operation.

Your Committee beg to report as follows:

1. Shortly after the last meeting of the Union a communication was received from the Clerk of the General Assembly of the Presbyterian Church in Canada, formally reporting the action of the Assembly in favor of Organic Union between the negotiating Communions. This communication is appended to and forms part of this report. In presenting it to the Union, your Committee feels that whatever difficulties may be in the way before the Union, so long anticipated shall be consummated, it is a matter for devout gratitude that the Presbyterian Church has been able to take the most important step and commit itself, so far as it is possible at the present time to do, definitely to union with the other churches.

It will be fitting for this Union suitably to acknowledge the receipt of this communication and to reaffirm its readiness to do all in its power to make the proposed Union a glorious fact.

2. Your Committee in order intelligently to co-operate with the committees of the other denominations, and to facilitate any legal or legislative action that might be called for, institutes some enquiries into the financial position of our denominational societies, and the regulations governing their holdings of property. Nothing further has been done in this regard, or seems to be necessary at the present.

3. Your Committee on "Co-operation with other Churches" report that in the month of January last—they met in Toronto with committees appointed by the Presbyterian and Methodist Churches. At this meeting the former agreement for co-operation on mission fields was revised and enlarged. There was also drawn up a "Suggested Plan for Local Union Churches in Affiliation with either the Presbyterian Church, the Methodist Church or the Congregational Union of Canada." These both mark a very great advance in co-operation between the three churches, and have already been put into effect with marked advantage in a number of localities, especially in New Ontario. Copies of these two plans are herewith presented. For this meeting the chair was taken by the Rev. Dr. Baird, Moderator of the Assembly and Rev. Dr. Chown, General Superintendent of the Methodist Church, Canada, and our Secretary, Rev. W. T. Gunn, D.D., acted as secretary of the joint meeting.

Your Committee would place on record their delight in the absolute unanimity of the meetings, every vote being unanimous throughout the two days' continual sessions. It was a great pleasure to all the men to have so definitely left behind the old days of rivalry, and to be facing together the new days of fellowship, pending the fuller Organic Union. Copies of the two agreements have been sent to all our ministers, and may be had on application to our Secretary.

4. Your Committee having had under review the questions of possible unions of churches in local centres recommend that all matters arising in regard to them be referred for direction and supervision to the "Committee on Co-operation with other Churches" who shall act wherever possible in consultation with the local association.

(Communication referred to in the report.)

"At Winnipeg, Manitoba, and within Westminster Church, there, the fourteenth day of June, one thousand nine hundred and sixteen years, which day the General Assembly of the Presbyterian Church in Canada being met and constituted.

Inter Alia, The result of the Tellers' count of the vote on the question of Union, taken at the afternoon sederant, was handed in by the senior clerk and announced to the Assembly by the Moderator. It was as follows: 222 ministers and 184 elders voted "yea," 406 in all; whilst 45 ministers and 44 elders voted "nay," 89 in all. The motion was therefore declared to be the finding of the Assembly.

It is as follows:

1. That the report of the Committee on Union be received.
2. That in accordance with its recommendations the General Assembly of the Presbyterian Church in Canada do now resolve to unite with the Methodist Church of Canada and the Congregationalist Churches of Canada, to constitute the "United Church of Canada," on the Basis of Union approved by the General Assembly of 1915, and by the majority of Presbyteries since consulted under the Barrier Act.

3. That the decision be formally announced to the Methodist Church of Canada, and the Congregational Churches of Canada.

4. That a committee be appointed to carry out the policy of the Assembly and to get in co-operation with committees of the Methodist and Congregational Churches of Canada in obtaining the necessary legal advice, and in taking such steps as may be deemed proper to prepare for making application to the Dominion and Provincial Legislatures for such legislation as may be necessary to secure the conveyance of property to the United Church. That this Committee report to the first General Assembly following the end of the first year after the close of the war; and that, with the consent and authority of that Assembly, application be made for the legislation proposed at the following session of the Dominion Parliament and the Provincial Legislatures.

5. That provision be made in this legislation to conserve the property rights of all congregations that may determine by a majority vote of the communicants not to enter the United Church.

6. That the Union be consummated as soon after the securing of legislation as the regular steps can be taken.

7. That in the meantime Presbyteries be instructed to move along the lines authorized by the General Assembly in Edmonton in 1912, either by local Unions or by withdrawal of one church or the other where serious overlapping is taking place to the detriment of religion.

8. That to the better furtherance of this end in each of the 37 Presbyteries of Western Canada, including the four Presbyteries of New Ontario, a committee of three (one of whom shall be the Superintendent of the bounds) be appointed to meet a like number of the Methodist Church of Canada, and one from the Congregational Church of Canada, where missions of that church are found, and one from the Union Churches where are such within the bounds, to advance local Union or co-operation of congregations or missions stations: such committee to be authorized:

- (a) To see that Union Churches are regularly visited.

- (b) To select from the literature of the churches what may be suitable for their use, and to urge its purchase.

- (c) To send delegates to promote liberality in these Union Churches toward missionary, charitable and patriotic objects.

- (d) To urge these Union Churches to take up collections for the various schemes of the churches, to be divided proportionately between the churches represented.

9. That the General Assembly continue to any minister in good standing in this church who may accept the pastorate of a Union or Co-operative Church the rights that he now enjoys in this church, and that the Conference of the Methodist Church and the Congregational Union be asked to do the same."

Extracted from the records of the General Assembly of the Presbyterian Church in Canada, by

(Sgd.) ROBERT CAMPBELL,
Joint Clerk of Assembly.

Upon motion of Dr. Warriner the report was adopted.

Rev. Dr. Pedley then moved the following motion which was seconded by Rev. T. W. Davidson, and carried, "Resolved that this Union having received official notification of the action of the General Assembly of the Presbyterian Church in Canada resolving to unite with the Methodist Church of Canada and the Congregational Churches of Canada, do now express its appreciation of the Christian spirit shown in the action of the Assembly; we reciprocate the brotherly sentiments which have inspired it, and pledge ourselves as a Union to do all within our power to consummate the proposed Union, and to make it a worthy instrument for the advancement of the Kingdom of our Redeemer and Lord. Meanwhile we will co-operate in all movements leading to the increased efficiency of the three negotiating churches."

Rev. E. Munson Hill, D.D., presented the Report of Interdenominational Council for work among non-English speaking races in Montreal, and moved its adoption. The motion carried. "The foreign born who are coming to our shores must be more than welcomed to our shores. They must be made to feel they have a stake in our national life, that they have responsibilities as well as rights, and they must be friendly and neighborly to the native born, and to those coming from other nations than their own. Christian faith and character are another most important factor in the welding process. The churches to whom this country leaves the work of evangelizing men therefrom has a grave responsibility."

Now this task is larger than denominationalism, is not aided by it and in many cases is hindered by it. There is a growing opinion that the mission work among our incoming citizens should not be done by little missions under the auspices of five or six communions working without co-operation. Your committee was appointed to co-operate with similar committees to be appointed by other denominations to work for joining of all these missions into united work under an inter-denominational committee. In the large cities this work should have a central building for administration and committee work, and a large audience room for worship and social work, and then the city should be divided and thoroughly worked in the same businesslike way that large patriotic and commercial enterprises are worked.

As a sample of the need look at this picture from Montreal. There are about 100,000 foreigners, being about one sixth of the whole. Of this number there are 55,000 Jews, 17,500 Italians, Ruthenians and Poles 12,500, Bulgarians and Roumanians 4,500, Greeks 3,000, Syrians 2,000, Chinese 2,200, others 6,000.

In the case of all these the housing conditions are bad. In one block there are 16 boarding houses, with 84 rooms, 333 men and 16 women. These men are not able to cope with the exploitation of labor organizations and private individuals. There is no provision for the social life of these people. They have no homes, their mission halls are very small, their gathering places are a few dance halls, kept up by themselves. The largest proportion of these are young unmarried men.

Education is provided for thus; Jewish children are provided for in our free Protestant schools. The Ruthenians and Italians are partly provided for in the Roman Catholic schools. Those from the Eastern churches have no public

provision. A study of the situation by the Protestant School Board showed that there were 3,000 or 4,000 unprovided.

Of all these there are thousands without religious opportunities. There are 30 synagogues with 8,000 sittings for 55,000 Jews. Some nationalities have native priests, but they are not always representative of their people, and often not equal to their tasks. Our Protestant Christianity that is well organized for reaching the heathen in his blindness and the sparse settlers of the prairies and mines is only touching this need with the end of a finger of a long arm. Not more than 5,000 of the 100,000 in Montreal are touched.

The Inter-denominational Committee of the Churches in Montreal is watching and working for a joint organization, but the unsettled condition of the Presbyterian Church has made it impossible, up to the present, to get a working organization, even of the three denominations that are trying to get together. But the idea is growing and will some day take visible shape, when the churches get together for effective grappling with Christian after-war problems."

The Resolutions Committee then presented their report. The Rev. G. E. Read moved the adjournment of the Union at 12.30, to meet at the close of the annual meeting of the Congregational College, for the purpose of discussing the resolution on selective conscription.

The Rev. W. H. Greaves delivered an address upon "The Church as an Evangelist." The Union adjourned at 1 o'clock.

The Union was called to order by the Chairman at 3.45.

The following resolutions were submitted by the Resolutions Committee, which were unanimously adopted after discussion.

Resolved: "That our Secretary, on behalf of the Union, write letters of sympathy to the family of the late Rev. Daniel Macallum; to Judge Leet in the loss of his wife; to Mrs. Eddy and Miss McIntosh in the death of their mother, the widow of the late Rev. Wm. McIntosh; to the family of the late Rev. W. W. Smith, and to Mr. T. B. Macaulay in the death of his wife and father."

Resolved: "That we reaffirm the resolution passed by the Union convened in Sherbrooke last year, viz:—'That we urge upon our government the most complete mobilization of all our resources in men and material by registration, conscription, or whatever method the government may deem best in order to aid the fullest extent in winning the great war for freedom; and that we pledge ourselves and our churches to the fullest co-operation with the government in every possible way,' and that we now express our conviction that the principle of selective conscription administered in a spirit free from all partisan tendencies and influences, as the only effective and equitable method by which the necessary man power may be secured for the successful prosecution of the war, and the attainment of final victory over the Central Powers.

"We further express our conviction that the same principle should be consistently applied to all the resources of the nation, including its wealth, in order that all may be made contributory to the achievement of the purpose to which we are solemnly pledged."

Resolved: "That we, as a Union, express our deep gratitude to the pastor, office bearers, and members of Calvary Church for their many kindnesses to us during the days of the Union. The opening to us of their beautiful church, has been much appreciated. We also express our thanks to our hosts and hostesses who have done everything possible to make us feel at home, during our stay in the city. Special mention must be made to the co-operation of the ladies, and to the choirs of the sister churches who at the meal hours and in the services have done so much to add to the pleasure and enjoyment of these meetings. We would also express our heartfelt thanks to Mr. T. B. Macaulay for the most enjoyable outing provided for members of the Union."

Upon motion, the action of the Union Executive in appointing Revs. Hugh Pedley, D.D., and W. H. Warriner, D.D., to the World Conference on Faith and Order, was confirmed.

The Union adjourned at 4.20 p.m.

The Union was called to order immediately after supper, at 7.30.

The secretary was instructed to write Mr. Macaulay expressing our pleasure and appreciation in the trip down the Lachine Rapids.

The treasurer presented the Report of the Finance Committee, recommending a cut of five dollars. The report was adopted.

Upon motion the minutes were taken as read, and the secretary instructed to edit them for publication in the Year Book.

FRIDAY EVENING.

The Chairman opened the meeting at 8.00. The Rev. J. T. Daley, B.A., introduced for the Foreign Missionary Society, Rev. D. Brewer Eddy, of Boston, Associate Secretary American Board of Commissioners for Foreign Missions, who addressed the Union on "God's Will and the Nations' Duty."

The Rev. W. H. Warriner, M.A., D.D., in behalf of the college then introduced Rev. Prof. T. B. Kilpatrick, of Knox College, Toronto, who spoke on "Put in Trust with the Gospel."

The Union adjourned at 9.30 p.m.

NOTICE.

It is becoming more than ever a practice among Christian people to recognize the Lord's portion in their Last Wills and Testaments, whereby, though they be dead, they speak and act in the furtherance of Missionary, Educational and Benevolent objects. American Congregationalists are among the most wise and generous in this day, and have left legacies of blessings for succeeding generations. Among the members of our Congregational churches in Canada there have also been those who have followed a likewise generous course.

For the guidance of those who may desire to make like bequests, the following legal form is subjoined. The amount bequeathed may be devoted specially to the Church Extension and Building Fund, in which case the income would only be used, or may be given for the general purposes of the Society.

FORM FOR A BEQUEST.

I give and bequeath to the Canada Congregational Missionary Society, incorporated by the Parliament of the Dominion of Canada, A.D. 1885, the sum of \$ out of my estate, to be paid..... without any charge or deduction whatever, and I direct that the receipt of the Secretary and Treasurer of the Society shall constitute and be a sufficient discharge thereof.

SIXTY-FOURTH ANNUAL REPORT OF THE CANADA CONGREGATIONAL MISSIONARY SOCIETY, 1916-1917.

The Executive have pleasure in reporting that in spite of the pressure caused by the war, both in its demands for men and money, our Society has had a good year. Our churches have continued their steady and generous support. In the field there have been many encouraging signs of growth and progress. In the West there has been a distinct beginning at least of a recovery from the depression of a year ago. In both our Vancouver First and Victoria Churches the attendance and financial support have increased. In Calgary, too, the situation has brightened. Our Russo-German Churches have held a convention in Calgary, organized into an Association, ordained their first candidate for the ministry, and we now have five men in charge, where we had four a year ago. Landis, under Rev. Trevor J. Williams, has assumed self support in a very satisfactory way.

In our Eastern work the temporary Union of Kingston First and Bethel, under Mr. Rayner, will, we hope, lead to permanent co-operation. The Union Church at Ste. Annes de Bellevue has assumed more of its property obligations and is in better shape. Our Union (coloured) Church now have a building to themselves and under Mr. Gregory are making good progress. Amherst Park, too, has taken on new life. For all these things, and for the good work done in the other churches under our care your Committee are devoutly thankful.

Turning to a review of the fields. In Margaree, under Rev. J. H. Sulston, the church has met our challenge and increased the salary by one hundred dollars. No progress toward a Union of the churches in the Margaree Valley has yet been possible. In Economy, Mr. Campbell Tavenor has been happily settled, and the church is to entertain the Union of Nova Scotia and New Brunswick this year. Their evening congregation of young people is encouraging. Across the Cobequid Bay at South Maitland and Selmah and Noel, Rev. A. E. Mann has been doing good work. The Kingsport Church has as pastor, Rev. H. G. Wright, who is this year the Maritime representative on our Executive. Pleasant River continues steadily under Rev. Geo. W. Ball. Milton has been vacant for the year, and Liverpool has lately secured a supply whom they hope to secure as permanent pastor after their Union meetings. St. John, N.B., has taken on new life under our old friend, Rev. Thos. Hall, whom we gladly welcome back to our Canadian work. Mr. Hall has helped the church, is seeing to the necessary legislation in regard to the property and is conducting negotiations which it is hoped will lead to some form of federation with Calvin Church, a neighboring Presbyterian Church in somewhat similar circumstances.

In Quebec, Rev. Churchill Moore continues at Ayer's Cliff, which has during the year made a much needed addition to its church building.

At Fitch Bay, Student Hughes is in charge for the year. Amherst Park, under Rev. Mr. Haughton, has taken on new life and courage. The Montreal friends stood by loyally, and guaranteed an increase of salary, and with careful organization the local weekly offerings have been very considerably raised. Union Colored Church has rented the DeLisle Street French Methodist Church

building, and with a place of their own have felt new life and made better progress. The Union work at Ste. Annes' is under Rev. Norman McLeod, and is ministering to the Protestant community and to the McDonald College students.

Coming West into Ontario, Kingston First secured Rev. T. DeCourcy Rayner as pastor, and his services proved so acceptable to the Bethel people that after several joint services a working union for six months has been arranged. At Barrie the workers loyally support the pastor, Rev. Wm. Hipkin, though the little group has been weakened by removals. Churchill has had satisfactory student supply. Stratford passed through the winter with some friction leading to the resignation of their pastor, and they have now called back the Rev. Geo. A. Mackenzie, a former pastor, and one whom we gladly welcome back to our own work. Woodstock was supplied during the winter by Dr. Braithwaite, and is now supplied by Student Tannahill. The Committee has visited Woodstock during the year several times, and there are prospects of a sale of the church.

Passing westward, the Western Church Extension Society has during the year sold the St. James' Park property, and has refunded the amount put into the building by our Building Fund. The Pilgrim Institute has continued its inter-national and inter-denominational work. Brandon is supplied by Student Lloyd. Dr. Ralph ministers to his scattered field at Carleton Union. At Glyndwr, under Rev. W. T. Morris, there is no change. At Landis, Rev. Trevor J. Williams and Mrs. Williams who were with us at the last Union meetings have captured the hearts of the people, have led them to self support, and have most heartily enjoyed the work. Naseby and Cando were supplied during the winter by local preaching and are now under Student Kelly.

In Calgary, the church has most heartily welcomed Rev. and Mrs. P. V. Samson. During the year the first property was taken back from the purchaser, and syndicated at the liabilities upon it. This was done with the consent of the Society, and it has relieved the church from that load. We hope that with better times they will be able to enter upon a new era of progress.

In Vancouver, Rev. A. F. Cooke was transferred from Kitsilano to the First Church where the wisdom of the change has been shown by a new spirit in the church, larger attendance and better finances. The First Church men will need help for some time, but have now a new hope and a brighter future before them. Kitsilano not needing the full time of a pastor is under the care of Rev. Geo. S. Ireland, who is doing them good service. The Grandview Church has had a good year under Rev. Mr. Goard, but have been utterly unable to meet their liabilities as to the Knox Church property which our Society has had to take over in order to save the amounts put into that cause by the denomination.

In Victoria, the church called Rev. Chas. A. Croucher from Forest. There has been some friction during the winter, and a few have left the church, but the great bulk of the congregation appreciate and stand loyally by the pastor. Here, too, they have had good attendance and made some progress financially.

Coming back to our Swedish work, Rev. Mr. Sanden has this year ministered to Highland Park, Meeting Creek and Little Beaver School House. This work, while mainly Swedish, has been reaching the English people who have moved in, and the mixed group of young people have made many contributions to the comfort of our soldiers. At Wetaskiwin, Mr. Anderson is ministering to the New Sweden Church during half his time the other half being given to missionary travelling for the Mission Friends.

Our Russo-German work has made very satisfactory progress during the year. Their conference at Calgary last June was a pronounced success, and the ordination at that time of Richard Otto for the field at Prussia proved both helpful and interesting to the people. Rev. H. J. Dietrich is doing good work in the Calgary Church; Rev. Mr. Anhorn has his large field at Sunny Slope, and its out-stations; Hanna should really have a man to itself. At Irvine, Kincorth and

Forres, Rev. E. Bernstein has done well, especially in the remarkably large missionary gifts of his people. Rev. H. Treise has moved to Hilda and Schuller, and Rev. Richard Otto now has Prussia, Westerham, Estuary and Klein Flat. The missionary offerings, both for Home and Foreign Missions, of these little congregations have been most gratifying. They have sent several gifts for Dondi, and their hearty entry into this part of our work is full of promise for the future.

The George Robertson Evangelistic Fund. This fund has given your Committee considerable care and thought during the year. In looking up the records we found that this fund was in no way restricted, but at the full disposal of the Committee. We desire, however, to keep it as far as possible for the use of evangelistic work. We have considered the possibility of again having an evangelist, but found the fund as it stands, inadequate for the purpose. The income would not, at the present rate, be sufficient for the type of man our churches would desire. We would gladly welcome any gifts adding to the fund. During the year we have guaranteed several series of special services. We have also used it for the travelling expense of our Russo-German missionaries as they go from place to place preaching the Word.

THE CHURCH EXTENSION AND BUILDING FUND.

With the income from this fund during the year we have been able to help our Western churches to tide over their time of stress. Without this help they would have been forced to succumb to the pressure of their debts during the depression. It is a matter of satisfaction to be able to report that the help given is producing good results.

In the matter of property in our care during the year there are no changes to report except that the Belwood Church property is to be sold, and the proceeds will be added to this fund. The Knox Vancouver property we have also been forced to take over in order to protect the Jubilee and other denominational liens. We have put it on the market at a price which will, if obtained, cover the liabilities. Ottawa South and Zion, Toronto, properties are both rented.

During the year we have started no new work. The total amount from living givers during the year is as follows:

Home Missionary Contributions, including Woman's Board.....	\$9,485 97
Extension Work, Montreal	1,400 00
Extension Work, Winnipeg	1,500 00
Total.....	\$12,385 97

These amounts do not include income from endowment or legacies, but simply the annual giving from the churches.

We record with pleasure the growing co-operation with the Presbyterian and Methodist Churches, and the prospect that the new co-operation agreements will lead to a still greater saving of men and of money for the work of the Kingdom of God.

Our thanks are due to the Colonial Missionary Society for their annual help.

We owe a debt also to our Woman's Board for their faithful help in their pledged gifts and in their material contributions to the missionaries on the fields.

Respectfully submitted,

W. T. GRAY,

Secretary.

REPORT OF THE EDUCATIONAL SECRETARY.

During the year your Educational Department has earnestly endeavored to keep the Home Missionary interests prominently before the churches. With few exceptions we have followed the usual methods. Early in the year a special effort was made to secure missionary news for the "Congregationalist" from those actually on the field. Subjects were suggested and very excellent articles received from Dr. Ralph, Rev. Trevor Williams, Rev. A. E. Cooke, Rev. P. V. Samson and the Rev. H. I. Dietrich, of our Russo-German work. Our General Secretary also furnished a number of articles dealing with the early history of Mission Work in Canada.

Early in February, ten thousand pamphlets, "Keep the Home Fires Burning," were sent to the churches and ten thousand envelopes. Along with these a special letter was sent to the pastors. We regret that owing to delays in the printing office due to war conditions this literature was late in reaching some of the churches.

We again prepared special programmes for Home Missionary Sunday in the Sunday Schools, eight thousand of which were sent out, together with eight thousand envelopes. In addition to this a special Hymn Sheet containing hymns, recitations, etc., was prepared. A thousand of these were printed and a number sent to each school.

We believe that there is a growing interest on the part of our Sunday Schools in Home Missions. The educational work carried on from year to year is having its effect, and each year sees a larger number of schools contributing to the funds of the Society.

In all some thirty-six thousand pieces of printed matter has been sent out, together with three hundred letters.

This department welcomes criticism, and deeply appreciates any suggestions as to ways and means of making our work more effective.

Respectfully submitted,

E. LEROY RICE,
Educational Secretary.

MISSION FOR IMMIGRANTS AND RETURNING SOLDIERS.

A year ago we reported the appointment of Rev. Wm. Farquharson, D.D., as Chaplain at Quebec, acting co-operatively for the Presbyterian, Methodist, Baptist and Congregational Churches. Events have proved that no better choice could have been made. In every respect Dr. Farquharson has shown himself pre-eminently qualified for the position, and has brought to his duties initiative, enthusiasm, and painstaking efficiency in a marked degree.

Naturally the volume of immigration continues to be very small. We can, however, report a larger number met and welcomed by our representative than in the previous season. The figures for the months from May to November are as follows:

Presbyterians.....	1,227
Methodists.....	412
Baptists.....	154
Congregationalists.....	154
Total.....	1,947

In his report for the season Dr. Farquharson says:

"It is impossible to tell in any tabulated way of the results of such a mission, but if men and women are cheered and encouraged it is not in vain. A chaplain of the Church of England, two sisters of the Franciscan Order, a representative of the Bible Society, and the National Immigration Secretary of the Y. W. C. A. co-operate in the work, and there has not been a jar of any kind whatever. The

officers of the Immigration Department and the officials of the companies concerned have rendered every possible assistance and courtesy. Taking it all together, most will agree with one of the Franciscan sisters when she said: 'It is a most blessed work.'

We have a new title for this department of our work. Instead of "Immigration Department" it is now designated—"Mission for Immigrants and Returning Soldiers." The explanation is this: At the close of navigation after careful consultation between the representatives of the co-operating bodies it was decided to retain the services of Dr. Farquharson as chaplain in charge of a mission for returning soldiers. Quebec having been chosen by the government as the discharge station for soldiers returning from the front, an excellent opportunity for service revealed itself, and so with the hearty approval and co-operation of the military authorities the work was inaugurated in December last. Our chaplain does for the returning soldiers what he does for the immigrant, i.e., comes into personal touch with each, ascertains the church connection, and reports in advance to the points of destination after discharge. For the first three months of the year the numbers thus welcomed for the four churches were as follows:

Presbyterians	812
Methodists	385
Baptists	147
Congregationalists	18
Total	1,362

In addition to this personal touch with the men, Dr. Farquharson has gleaned many facts concerning conditions of life among the soldiers which have been embodied in a series of interesting reports, which have been sent on each month.

Thus are we trying to do our part in meeting the new conditions which will be created by the thousands of wounded who are coming home. That they are in a mood to be either drawn to the churches or permanently alienated from them is clearly evident. No expenditure of money, time, or service can be too great in such an important task. We are sure, therefore, that our churches will gladly support the society in this new undertaking, and help to place every means at our disposal for its further maintenance and development.

Respectfully submitted,

FRANK J. DAY,

Hon. Superintendent.

TREASURER'S REPORT FOR YEAR ENDING MAY 31st, 1917.

The printed statement which is before you shows that the total receipts on account of the General Mission Fund amounted to \$13,518.41, an increase over last year of \$672.93.

The following are the increases and decreases during the past year in the different provinces, districts, etc.:

INCREASES.

British Columbia.....	\$ 63 67
Alberta.....	238 85
Saskatchewan.....	49 40

C. C. W. B. M.....	64 88
United Brethren.....	15 00
Colonial Missionary Society.....	141 08
	<hr/>
	\$252 86

An analysis of these figures will show that all provinces and districts show increases excepting Nova Scotia and New Brunswick.

The largest increase in any province was in Alberta, \$238.85, (over 100 per cent.), a very good showing during war time. The only decrease was in Nova Scotia and New Brunswick, \$31.90.

The following is a list of the churches contributing \$100.00 or more:

Toronto, Northern.....	\$1,013 05
Montreal, Emmanuel.....	853 76
Montreal, Calvary.....	390 08
Toronto, Bond Street.....	383 10
Hamilton, First.....	324 78
Granby.....	305 00
Toronto, Olivet.....	200 00
Montreal, Zion.....	196 38
Maxville.....	181 33
Toronto, Western.....	160 00
Brantford.....	156 77
Sherbrooke.....	152 67
Hilda, Alberta.....	110 00
Ottawa, First.....	107 37
Montreal, Pt. St. Charles.....	102 00
Vancouver, First.....	101 00
Toronto, Broadview.....	100 00
Sunnyslope, Alberta.....	100 00

The Sunday School contributing the largest amount was Toronto, Northern, \$83.90; followed by Montreal, Zion, \$71.38; Toronto, Bond Street, \$45.05; Pt. St. Charles, \$35.00; Sherbrooke, \$32.07; Brantford, \$25.00; Kingston, First, \$25.00; London, \$21.82. The plan of having a Special Home Missionary Sunday in our Sunday Schools is working out satisfactorily and has increased the interest in our work amongst the young people, forty-four schools having subscribed this year. We want all our Sunday Schools to have a share in our work and trust that this number will be increased next year. Part of the Toronto, Northern Sunday School contribution was raised by a special effort during Lent. On the first Sunday in Lent the scholars were supplied with cardboard banks in the shape of barrels to be made use of during the Lenten period, for securing offerings towards Home Missions. The banks were returned on Easter Sunday, and after deducting the cost of the banks the sum of \$53.90 was realized. Owing to the success of this experiment it is our intention to adopt this plan next year and furnish all Sunday Schools with a supply of banks to be made use of in a similar way. This plan was suggested to us by Plymouth Sunday School, Sherbrooke, and I may say has been worked successfully in the schools of other denominations.

We are also pleased to acknowledge receipt of a legacy of \$5,000.00 from the estate of the late F. Scholes, which has been transferred to the Church Extension and Building Fund Capital Account.

The financial statement shows that the total outlay on account of the General Mission Fund amounted to \$10,958.66 and that we carry a balance over into next year on the right side of \$3,046.09. This is the eighth annual report that I have had the honor of presenting, and while I have on some other occasions reported larger receipts it is the first time that I have had the pleasure of reporting a credit balance of over \$3,000.00. We were able a year ago to clear off the deficit which had been following us for the previous six years, and it is very gratifying to be able to further improve our financial position during the present critical times. It is only by the hearty co-operation of the churches that we have been able to accomplish this and we take the opportunity of thanking the churches which have contributed so generously towards our work during the past year.

It is a little early to prophesy what the future has in store for us, but we know that when the war is over we will be given new opportunities for service in this vast country of ours, and we should be in a position to carry on our work vigorously when the call comes.

Respectfully submitted,
GORDON H. O'HARA,
Treasurer.

THE THIRTY-SIXTH ANNUAL REPORT OF THE CANADA CONGREGATIONAL FOREIGN MISSIONARY SOCIETY FOR THE YEAR ENDING MAY 31st, 1917.

To the Members of the Canada Congregational Foreign Missionary Society:

Your Committee presents with joy and gratitude to God the Society's work for the year. The joy is due to the blessing with which He has crowned the devoted efforts of those who continue to represent us in the field.

In spite of the world crisis, the way of our Lord is still open in Africa. Not that the great continent has enjoyed immunity, for the ramifications of the world war have come to our very doors. We do not know how closely war has touched our work abroad, as the censorship is unusually close; but food and man power are both affected. Such reports as come through clearly indicate the sale of corn meal and foodstuffs for shipment out of the country, and this export demand has raised the price, and made the feeding of the boys at the Boarding School and Institute a much more difficult task. The war has also involved the native men. We do not know the exact purpose; but requisition as been made by the Portuguese Government of the young manhood of the province to the number of 5,000. Included among these are a number from our Christian Mission Station, and their removal from their homes is fraught with even greater moral perils than confront our own soldiers, owing to native customs, social and economic. So far, the Chisamba boys called upon have been kindly released by the authorities on representations of the missionaries; and up to the present, the only real privations of the missionaries have been delay in mail and freight, and difficulty in obtaining medical and food supplies. Nor have the innumerable emergent calls for special patriotic purposes seriously affected the giving of our people at home to the constant demands of the Kingdom.

We would also once more place on record our indebtedness to the Canada Congregational Woman's Board of Missions, whose unflagging efforts so splendidly supplement and complete our own, and whose faithful activities and constant co-operation are invaluable. We congratulate them on a most successful year.

An event of the year has been the issuing of "The Story of Chisamba Retold." The sale of 250 of these books will have a very great educational value, and a wider distribution of this work is urged. We commend, for example, the Cobourg Church, where ten copies are in constant circulation, so that practically all the ladies will have soon read it. At Maxville, "Springs of Water in the Desert," written by Mr. Tucker, and printed in Africa, has been read serially as a part of the Sunday morning service. We would call attention to the new

Mission Text Book, by Dr. Patton, "The Lure of Africa," a bright, popular survey of the situation.

I.—EDUCATIONAL AND EVANGELISTIC.

The report of the Station—Chisamba. In spite of the reduction in our force caused by the going of the Tuckers to Ndondi, and the retirement of the Moffatts, due to Mrs. Moffatt's breakdown in health, the work has been held together nobly and well sustained by our depleted staff. The enforced return of Dr. Moffatt was a heavy blow to the Mission in a year notable for sickness among the natives. It is good to learn that, on the whole, the health of our missionaries has proved equal to the excessive demands which have devolved upon them and been divided among them. It has greatly increased the varied activities of our Industrial Superintendent, Mr. Cattell, and multiplied the duties of the ladies. Both of the Misses Melville are entitled to furlough. Miss Helen will be coming home this year, while Miss Maggie remains at the post. Miss Bell's return will be a great help; and the voluntary visit and assistance of Miss Mattie Wightman will prove a welcome acquisition.

We have been searching carefully throughout the year for an ordained missionary, and were even in hope that we had secured one of our own Canadian men, when, for medical reasons, the way was barred.

Certain negotiations are also being made with reference to the medical vacancy; but concerning this, we are not yet in a position to report.

Still, under God, the work has kept up amazingly well. The Hines' legacy has made possible a steady increase in the number of out-stations. The influence of such a bequest is beyond all calculation. As a result, another new work has been begun in a large populous district, 10 miles east of Chisamba. The native chief, Mukinda, had sent three of his sons to our school. Feeling that the time was ripe to start a school in his own village, he gave a large house that will serve, and a work has been commenced that bids fair to rival the prosperity of the cause at Cayuba. This now makes 27 schools in all, with a total attendance of 1,507. This inestimable work is done by our lady missionaries of the Womans' Board, and 35 native teachers in the villages and 5 in the station. Miss H. J. Melville has charge of the junior, Miss Maggie W. Melville of the senior school; while Mrs. Cattell has proved most valuable in the Kindergarten in taking the 3rd and 4th grades and in teaching a class of girls domestic science.

The Savage-Dearborn Girls' School of the Womans' Board is now in full swing with a class of 28. They are taught housekeeping, sewing, basket-weaving, brook garden and field work. The matron, a widow of one of the native elders, is a most excellent woman.

A Normal School course, conducted for the training of the assistant native teachers, has proved of great value.

At the Boys' School, 45 are in attendance. They are mostly advanced scholars from the out-stations, preparing for Ndondi. They attend school in the morning, and work in the carpenter shop, garden, field, or on the road in the afternoon. This year they had to be distributed about the station for sleeping accommodation till the Boys' Boarding School is built.

The attendance on Sunday at Chismaba averages 500. Similar services are held at out-stations. Every Sunday afternoon, natives leave Chisamba and Chiyuka, two by two, to preach the Word in the neighboring villages; and from time to time the women as well have been stirred to spend a few days in the villages doing evangelistic work.

The one oft-repeated note in all the letters from the field is the need of an ordained man to direct a strong effort for the ingathering of souls for the Kingdom. "Still God is drawing to Himself many who worship God in Christ. In our station, and in many of our out-stations, it is an inspiration to meet numbers

who have been truly born again." During the year, 23 have been added to the church, and 46 have been received into the catechumen class. The possibilities seem limitless in two directions. There are the men who go forth far and wide from the station. They need some one, "a walking delegate," one letter specifies, to keep in touch with them. Then there are the requests that come in from all sides for teachers and preachers. Here is surely a glorious field for the right man of God.

II.—INDUSTRIAL.

Despite the many demands on one man's time and strength, Mr. Cattell's, we are able to report that the industrial department was by no means neglected, though he had to take charge of the evangelistic. A permanent bridge has been built over the Ukalongo; a water wheel constructed for the grist mill; and two miles of road graded to the Portuguese settlement. "We feel that a good piece of work has been accomplished." The most interesting bit of construction, however, is the Allan and David Gunn Memorial School begun this May. The plan calls for two buildings:—(a) A nine-roomed dormitory with eight detached sleeping rooms all fronting a verandah that surrounds the building; and a central assembly room. (b) A dining room, with kitchen and storehouse, and rooms for the warden. The material will be sun-dried brick and tile.

III.—MEDICAL.

While no medical report is available in the absence of a doctor, it should be noted that this most important phase of the work has once again become the added responsibility of Miss Helen Melville, whose medical knowledge and nursing skill has been ever at the disposal of the needy.

THE INSTITUTE AT NDONDI.

And now we come to Ndoni; and verily this is Ndoni year.

I.—ON THE FIELD.

We must note with satisfaction the unanimous election by the Mission, after a year's service at Chisamba, of our own Rev. John T. Tucker as Principal of the Institute. This we view with gratification as a deserved tribute to him, and a real joy to our college and the Canadian churches who gave him to Africa.

There has been some material progress in the equipping of the Institute; but nothing to the hum of activity that will be heard there from now on.

The increase in attendance, however, has been steady, striking, and significant. Beginning with 25, following with 45, this year the capacity of the temporary dormitory (Mr. Tucker's old house) is fully taxed with 73. But this is not all. Indeed, as early as last October, 15 boys had to be refused admission. This year, with 50 new applicants all but 15 must be turned away. Next year, with 80 seeking admission, there is accommodation for but 20. In fact, we would have no room at all were it not that 20 members of the first class have completed three years of their training, and go out now for two years of practical preaching, teaching, and leading of their people.

Those who had to be turned away are just the selected youths sent up from the stations after years of preparation. This number only represents pupils specially fitted by the missionaries to fill the urgent need in these stations and out-station schools. Having fully qualified, they had to be told—"You will have to cut your number down one half; we have no room." So scores were refused.

In addition to those who have already passed the entrance examination, there are hundreds of others in the villages surrounding Ndondi wanting to learn, pleading to come. To your executive, this repeated cry from the field itself, from the natives and from the missionaries, came as a ringing challenge—a direct call from God. It was as definite as that first cry from Macedonia—a Christian necessity—a divine certainty. It was an emergency calling for strategy in the cause of Christ. New buildings were demanded for these would-be messengers of the Gospel and the Kingdom. The need arose from the field. The appeal came from Angola. The whitened harvest cried aloud for helpers.

II.—AT THE HOME BASE.

"S.O.S." (Save our Souls) from Ndondi and hands across the seas! Face to face with this inherited responsibility and the blessing of God, we were confronted by the Divine Promotion and challenged to grasp the right hand of duty and opportunity. Three years ago we saw it coming, and all plans were then laid to make the appeal to the churches. Then hell broke loose in Europe; our Empire and our country were at war; our very civilization imperilled. So conditions seemed unfavorable for the setting forth of Ndondi's need. Meanwhile, the situation grew acute. Promising youths were actually being turned away for sheer want of funds. Then there came Tucker's burning message, and it struck a responsive chord. It was just this: "Canadians have distinguished themselves in the warfare in France. Here we are waging another war. Comrades in Canada, don't let us go under for lack of support." The convenient season had not come, if it ever does. No favorable occasion was in sight, nor is yet. What could be done? In our extremity we were forced to action. God had put upon us too big a burden for us to bear, alone. We dared not assume the responsibility of refusal. We threw out the challenge to the faith and generosity of all lovers of the Kingdom among our churches, and our growing confidence has been magnificently justified.

A short history should possibly be recorded. Prior to this year, over \$11,000 had been expended on the Institute. This amount was available as a result of legacies, and the fund was wholly exhausted a year ago. Then, last fall your executive chose a special Ndondi Central Committee of members and directors and laymen in the Toronto district. Its officers have been: President, C. McD. Hay; vice-president, W. E. Booth; treasurer, H. W. Barker; secretary, J. G. Hindley. Mr. G. E. Williams was entrusted with the forming of a strong Quebec Committee centering in Montreal. The churches were asked to appoint local chairmen. A campaign of education was waged. The churches were besieged with Ndondi literature. In our "Congregationalist," in special illustrated circulars, in hundreds of letters personal and general, a wide publicity was given, the cumulative effect of which has been tremendous. As the leaven hidden in a measure of meal, this information has permeated our churches, and lifted them to a new height and fulness of life. Two remarkable gatherings towards the end of March inaugurated the campaign in Toronto and Montreal. At the men's banquet in the former city, a high standard of giving was set, when \$8,000 was pledged that night for the churches of Toronto and Ontario; while, at Montreal, those present at the Council resolved to do equally well in the Province of Quebec. The impulses released have spread from more to more, and the end is not yet; for a mounting tidal wave of Christian generosity has caught up church after church, and still sweeps unabated across the Dominion. In churches like Maxwell, Scotland, and Kingston Calvary, and many others, the giving has reached a new high-water mark—the point of actual sacrifice and heroic devotion. The amounts registered in these three conspicuous examples are \$1,620, \$525, and \$400 respectively.

The United Brethren Churches have been most loyal in prosecuting a diligent

canvass of their members, and have been notably prompt in their response. Several of the Swedish and Russo-German churches in the West were also among the first to forward offerings. Struggling churches in all the provinces have answered the challenge courageously; while the stronger causes in the larger centres have reached noteworthy amounts. The five Toronto churches will give well over \$10,000 among them; and Hamilton First contributes \$1,850; while Mont-real Emmanuel, rightly leads us all with a gift of \$9,264.

Some sixty churches have already responded with complete or partial returns. Another very considerable group promises to prosecute the campaign later. Among those where the campaign has been delayed or postponed for local reasons are the Winnipeg and Vancouver churches, Guelph, Kingston First and Bethel, Embro, Speedside, Lanark, Ottawa First; in Montreal—Calvary, Zion and Pt. St. Charles; Sherbrooke, Granby and Cowansville. It is, therefore, obvious that when these and other good churches, too many to mention, shall have made their appeal and completed their canvass, the attaining of our noble aim will have been gloriously realized. The objective set was \$30,000, the amount estimated as necessary to complete the buildings already planned. A great added incentive was given when the fund was named and sought as a fitting memorial to the life and work of our pioneer, Rev. Walter T. Currie, D.D., who made Chisamba, West Central Africa, the special and crowning glory of Canadian Congregationalism. What Chisamba is doing as a Christian commonwealth, Ndondi will do as a Christian university. Together, they constitute our oath allegiance to Christ in the conquest of the world—our living, growing, abiding pledge to this enduring Dominion.

The influences are far-reaching; the outlook almost boundless. The territory is immense. In a vast area from one to two hundred miles in width, and eastward for hundreds of miles in length, ours is the only organized mission, and Ndondi is its strategic centre. Among a most influential people, the carriers, the Anglo-Saxons of Africa, we minister. Already, the influence of Chisamba has gone far. The missionary of another society working 200 miles away in the far interior, writes for the church letters of 24 former slaves of Kanjundu, anxious to join a new church he was establishing in their district.

Ndondi, too, will reach out in all directions. Already a student has walked 200 miles to avail himself of its privileges, and train to serve his people. One of the chiefs far away in the interior, hearing of the teaching, sent his own children on the long journey. Four of his sons persevered; and after forty traveling days of danger and mishaps, came to Kamundongo to find peace. They are making great progress, and all wish to come to Ndondi. They have pleaded for a student for their people, and one of our Ndondi boys writes: "We look to God to choose one among us. We recognize that this Institute was planned by God to spread abroad His work in Angola."

Never a day passes without requests for admission, and no wonder; for a feature of Ndondi training is evangelistic tours. One Sunday, it was a long journey to Nunda, where they were heard gladly. Lohaka writes: "We told them God gave us His Son Jesus; and whoever believes in Him will see life eternal." They said: "We thank you for that Word. Never, never have we heard that there was a Saviour for us." "In the surrounding villages, many are already believing and learning the words." Sawimbu, too, tells us: "Among our people many are asking the way of life." "Indeed," says Principal Tucker, "every Sunday, they divide off into groups, and visit the villages far and near, carrying with them the blest tidings of salvation and the new life. At the present time, we could commence an out-station of the Institute, had we more workers and sufficient financial help."

One great outstanding event of the year's work will be the sending forth of 20 young men. "We trust the home churches will regard them as the first

fruits of an ever growing army of graduates sent forth in the name of Christ to win the land for Him." This has been done at an incredibly small cost; for the total income for all the Institute expenses, training 70 pastors and teachers, is the interest from the Freeland Fund, i.e., just under \$300 a year, or about \$4.00 for each student. What an investment, and what a return is here! "In years to come, we will be able to graduate from 50 upwards every year, if we are financially able to take all who desire to come here for training."

Facing such an opportunity, how tremendous is our responsibility! God give us strength equal to our task. What could surpass such a privilege—such an outlook.

To at all meet this claimant and imperious demand, our immediate requirements are:—

For Chisamba:

1. An ordained man to superintend education and evangelism.
2. A fully trained medical man to take charge of the hospital and dispensary work.
3. The completion of the fund that is erecting and equipping the Allan and David Gunn Memorial School.

For Ndondi:

We have set out for \$40,000.

We have promised, to date, \$28,300.

We must have the whole amount. It is called for. To accomplish it, let every pastor and church complete their canvass, and make their appeal for the Currie Memorial Fund. May all our churches share this burden of Christ, which means the blessing of God, and the nearer coming of the Kingdom in Africa and in Canada, and in our own souls!

Respectfully submitted,

J. G. HINDLEY,
Secretary.

REPORT OF THE EDUCATIONAL SECRETARY OF THE C.C.F.M.S

Since accepting the office of Educational Secretary a few years ago the work in this department has gradually increased, and this year we have to report that more has been undertaken and accomplished than in any previous year. A new set of slides on Chisamba and Dondi has been prepared and circulated among our churches. In the preparation of this set your secretary was able to secure the efficient services of Mrs. Read and many have been the testimonies received with regard to the value of this set in stimulating missionary interest in our West Central Africa field.

Another set of slides recently purchased from the A.B.C.F.M. is entitled "Congregational Shrines Around the World." It consists of seventy colored views and the views and lecture should find their way into every Congregational Church throughout the Dominion. They are exceptionally fine and as an educational factor ought to be of great value. The average Congregationalist does not begin to understand the important part Congregationalists have played in the world's life, and needs this lecture, and these views to arouse him to some adequate sense of the greatness of his inheritance. This set has as yet only been exhibited in the following churches: Granby, Ottawa, First and Welcome-Zion, Maxville, Broadview, Northern and Rock Island. Will the other churches wake up to their privilege and arrange a date for this set without delay? A third set handled by your Secretary is entitled, "Children in Far Away Lands," and is also of great value in connection with the work of the Sunday School, Mission Bands and Junior Christian Endeavor Societies. We would be glad to secure a larger circulation for these splendid views, most of our Quebec churches have seen them, but

beyond that there has not been much demand for them. Your Secretary also pushed the sale of "The Story of Chisamba Retold," in the Quebec churches and in the Eastern Ontario group. Circulars were sent out to the pastors, Sunday School Superintendents and Y.P.S.C.E. Presidents accompanied with a written appeal to give the book as wide a circulation as possible. I have had correspondence during the year with Dr. Moffatt, Mrs. Woodside, Rev. J. T. Tucker and Miss E. B. Campbell, of W.C.A. who is at present on furlough in Calgary.

A missionary column has been conducted for some months passed in the "Congregationalist" by the corresponding and educational secretaries of this Society which we trust has been found helpful to our churches. I had also the privilege of addressing the Lanark Church a few weeks since on our W. C. A. Mission. The night was wet and dark, but a good number were present to see the views and hear the story of progress on the field and learn of our future plans for Dondi. An appeal for funds, however, has been postponed to a later date. As to literature I would again recommend the "Missionary Herald," "Everyland Magazine," "Here and There Series," "The Missionary Review of the World" and the "Record of Christian Work." Inquiries have been received concerning dramatic literature for church entertainments, and we have pleasure in informing you that a splendid assortment can be secured by writing the Missionary Education Movement, 156 Fifth Avenue, New York. We would like to add that all enquiries directed to this department receive prompt attention. Any information we cannot give ourselves we gladly enquire about and cheerfully answer all letters that we may help in every way possible to carry out the Great Commission, and extend the Master's Kingdom in all the world. The expenses of this branch of our work this year have amounted to about \$85.

In concluding this report we would like to emphasize the necessity and importance of an enthusiastic missionary spirit on the part of the pastors of our several churches. It is our privilege to create and maintain a distinctively missionary spirit, which will doubtless result in greatly increased contributions, and the consequent advancement of the work. To this end missionary literature, monthly missionary prayer meetings and frequent missionary sermons will be found indispensable together with much prayer for the evangelization of all nations.

Respectfully submitted,

A. F. POLLOCK,

Educational Secretary of C.C.F.M.S.

TREASURER'S REPORT FOR THE YEAR ENDING MAY 31st, 1917.

It is with devout thankfulness to God that we present our third war-time financial report, which, notwithstanding the stress of monetary conditions, and the unprecedented demands upon the generosity of the people of Canada, shows that nearly \$20,000 in cash has come to hand for all purposes; and the Secretary in his report has shown that about \$20,000 more, payable within the next three years, has been subscribed for the Dondi Institute Fund. This is a remarkable showing and one which should cause us all to lift our hearts in grateful praise to the Lord of the Harvest who has called us into partnership with Himself in the evangelization of the world.

The first printed statement is that of our General Fund. The receipts have been \$5,197.82—a slight falling off, but less than 5 per cent., from the previous year. This small shrinkage is not to be wondered at; the surprising thing is that our regular contributions have kept up so well. The expenditure shows first the overdraft of \$65.53 at the beginning of the year; then we remitted \$2,063.03 to the American Board. The travelling expenses were \$217.40, those of the Executive Committee being higher because some of the earlier meetings of the Dondi

Committee were charged to the General Fund. Then follows the amount spent for printing, commencing with the usual grant of \$200.00 to the Publishing Committee. The printing of "Chisamba Re-told" (1,000 copies) cost \$525.00, while we paid the balance of \$50.00 promised to Miss Silcox to be given at the time of the publication of the book. Included in the next item is \$53.00 for cuts, most of which were for the book, and \$79.47 for lantern slides, nearly all of these being supplied by the American Board. Next follows a grant of \$50.00 to the Missionary Education Movement, and \$130.00 voted some time ago for repairs to Mr. Cattell's house in Chisamba. Then we paid \$348.33 on account of the General Secretary's salary guarantee, \$103.00 for office expenses, \$76.53 for postage and bank exchange, \$1,000.00 transferred as usual to Furlough Fund, and \$121.83 balance on hand.

We started out with a debt to the American Board of \$1,675.00. This has been increased during the year to \$3,412.28. This increase is due largely to the heavy expense which we have been under by reason of the return of the Moffatts. Mrs. Moffatt's long and serious illness necessitated their stopping for a considerable time in Lisbon, and again in England, where she still is. The circumstances were exceptional, and we asked the Board to handle the matter in their own way and charge our Society accordingly. They have already debited us with \$2,313.45, and we are informed there will still be traveling expenses for Mrs. Moffatt and the children from England to their home in Ohio.

On the lower part of the first sheet will be found our budget for the coming year, amounting to \$10,218.53. The first item here—\$943.75—is the amount standing at the debit of the Medical Department. Until two or three years ago the fees received from Portuguese patients carried the hospital, but since the Portuguese Government has refused to allow our medical missionaries to practise amongst their people the hospital expenses have gone behind, for the amount the natives are able to pay for treatment is very small. The Station Treasurer in a recent letter says, "The Medical Department has very little income, so is dependent on the charity of the friends at home." In this budget we have estimated that \$500.00 a year will be required in this connection, and \$750.00 has been allowed to the end of the year upon which we have just entered. Then appears the amount of \$3,412.28 at present owing to the Board, which includes our missionaries' salaries to December 31st, 1916, with which we have just been charged. The salaries of our two missionaries for this calendar year come next, the amount varying somewhat according to the distance from the coast. The station expenses run about \$100.00 a year, and the home expenses for the last five years have averaged \$1,100, but, as some exceptional charges which we do not look for again have been included, \$1,000.00 has been estimated for the coming year. Up to December 31st last, Mrs. Currie received an allowance at the rate of \$500.00 per year. This has now been reduced to \$250.00, and will run off altogether at the end of 1917. Then we have entered \$150.00, which it is thought will be sufficient to bring the Moffatts to America. The last item of expenditure for which we have made provision is for equipping and sending out a new ordained missionary, viz., \$1,200.00. If we would close our next year free of debt, it will be necessary to double our contributions, unless the Society is fortunate enough to receive some special amounts.

Now, let us turn to the other sheet showing our special funds. We commenced the year with a balance in Designated Objects Account of \$6,942.95, made up as follows:

Institute Fund.....	\$5,094 00
Furlough Fund.....	1,016 46
Gunn Memorial School.....	832 49
Total.....	<u>\$6,942 95</u>

Contributions of \$939.50 were received, and the Hine and Freeland invest-

ments brought in \$665.91 and \$292.00 respectively. Then appears the \$1,000.00 transferred to Furlough Fund, and a legacy of \$4,000.00 (less \$60.00 succession duties) from the Scholes' estate, making a total of \$13,780.36 on the credit side.

We forwarded to the Board the full amount in the Furlough Fund, viz., \$2,016.46, also the balance on hand for the Dondi Institute before the campaign started (\$5,234.00), and \$500.00 on account of the Allan and David Gunn Memorial School. Other designated amounts have been remitted for the purposes for which they were given. The balance of \$445.49 on hand belongs to the Gunn Memorial School Fund.

The Dondi Campaign has thus far brought in \$8,334.38 in cash. \$3,500.00 of this has been remitted, the administration expenses amount to \$671.17, and a balance of \$4,163.21 is in the bank. When it is remembered that over \$28,000.00 has been subscribed for this Institute since the campaign started, the cost of administration—about 2½ per cent.—is trifling.

The statement of contributions by Associations is interesting. For the General Fund there has been a small shrinkage all along the line with the exception of the Western Association and the Western Provinces. In the designated total is included the Scholes' legacy, and also the income from investments. The summary here shows a total for the year of \$19,369.61 from all sources.

Now, as to the individual churches. On account of the Dondi Campaign some of the churches loom up much larger than ever before. First comes Montreal Emmanuel, with \$2,171.13. This is followed by Hamilton First, with \$1,742.87. Then comes Toronto Western, \$1,130.00, and Toronto Broadview, \$1,006.00. Toronto Northern is next in the race with \$991.65, and following almost neck and neck is little Maxville with \$829.42. Some others deserving of special mention are Toronto Bond Street, \$685.33; Kingston Bethel, \$552.98; Brantford, \$443.70; Montreal Calvary, \$362.84; Rugby, with the remarkable showing of \$319.50; Granby, \$275.00; Gainsboro Circuit, \$198.25; Montreal Zion, \$162.50; Vancouver, First, \$136.15; Ottawa, First, \$125.00; Sherbrooke, \$123.80; Lawrence, \$110.00; Stanstead South, \$105.00, and Cobourg, \$100.00.

We have recently learned of a legacy of \$1,000.00 left for foreign missions by the late Mrs. H. P. Wales, of Melbourne, which her husband is turning over to the Dondi Fund. Another gift I should like to specially refer to is one of \$25.00 from Miss Minnie Black, of Granby, in memory of her late father, Rev. R. K. Black. Miss Black is desirous of undertaking the support of a native teacher, and this gift is to be applied for this purpose.

And now a word as to our investments, which may be of interest in these times of financial uncertainty. In connection with the Hine trust we hold:

	Cost	Present Value
First mortgage Avenue Road property, Toronto, Dr. Howard, at 6%.....	\$ 9,250 00	\$ 9,250 00
First mortgage Parliament St. property, Toronto, Robinson Estate, 6½%.....	1,150 00	1,150 00
Ten shares Brazilian, cost.....	532 50	400 00
The Freeland Trust owns—15 shares Illinois Traction preferred, cost.....	1,383 75	1,275 00
2 Shares do.....	186 50	170 00
Dominion Iron & Steel, 5% bonds.....	1,934 52	1,800 00
Can. Interlake, 6% bonds, cost.....	1,514 80	1,425 00
Scholes' Legacy is invested in Home Investment & Savings Association, 5% bonds, cost.....	3,800 00	3,800 00
Totals.....	\$19,751 07	\$19,270 00

The present value is given according to the Stock Exchange quotations as nearly as these can be ascertained. These securities are all approved, and, with the exception of Brazilian (which, owing to exchange conditions, has temporarily discontinued its dividend) are all yielding a good return. In view of the present state of the stock market, I think you will agree with me that our investments are in a satisfactory condition. These securities are deposited in a bank vault and our auditor has certified that they are in order.

Respectfully submitted,

H. W. BARKER.

ANNUAL REPORT OF THE BOARD OF GOVERNORS TO THE CORPORATION OF THE CONGREGATIONAL COLLEGE OF CANADA.

The Board of Governors has pleasure in presenting its annual report for 1916-1917.

There are included as part of this report the annual reports to the Board of the Senate, Librarian, House Committee, Ladies' Auxiliary, Treasurer.

No attempt has been made during the year to fill the vacant office of the Principalship.

Your Board, however, in obtaining the services of Rev. Principal E. Griffith Jones, D.D., as lecturer in homiletics abundantly fulfilled its undertaking towards the co-operating colleges, and upon testimony from varied sources did service to the general religious life of Montreal and Canada.

The Board was also fortunate in securing Dr. G. Glen Atkins, of Providence, for a special course of lectures during the second half of the session; these lectures were also greatly appreciated.

For the coming session, arrangements have been made to secure Rev. Principal Ritchie, of Nottingham, for the first half session as lecturer in homiletics. The Board looks forward with happy anticipations to the coming of Dr. Ritchie.

Your Board would report its anticipation of the receipt within a very short time of the benefits accruing to the College under the will of the late Francis

Scholes. The amount in prospect is \$23,265.00. Your Board in appreciation of the character and generosity of the late Mr. Scholes has had his portrait hung in the College Assembly Room.

Your Board in anticipation of your approval submits the following resolution—which is self explanatory, viz.—That—"As it might be desirable in view of the present war situation to make some arrangement of College buildings for the housing of the greatly reduced number of students, or even to make use of them for military purposes we recommend that the Board be empowered to confer with the Boards of the sister colleges, and to enter into any arrangement that might be deemed wise under the present extraordinary conditions."

The Governors who retire at this meeting are Messrs. Hugh Pedley, D.D., B. B. Stevenson, and A. Huntly Duff, B.A., C.B.L.

The Board records its thanks to Mr. E. Alex. Wright for his valuable and voluntary services as auditor.

Respectfully yours,

A. McA. MURPHY,

Secretary.

THE SENATE'S REPORT FOR THE YEAR ENDING APRIL, 1917. THE SEVENTY-SEVENTH SESSION.

The fact that we are now far into the third year of the war, which our country is waging in defence of the liberties of the world, has naturally affected most keenly the life of our College. It cannot be expected that we shall have much to report in the way of new ventures on our own account. The biggest thing for the moment is to help make the world a safe place to live in. Of all institution in the world the college should be the first to realize this fact, and to lead the way in willing self-sacrifice. So keenly has this been felt, so many have been the enlistments of both professors and students, and so greatly has it interfered with the appointment of new professors to fill the vacant chairs, that had it not been for the co-operation of the four theological colleges, the work of two of these colleges, of which our own is one, would have been rendered well-nigh, if not altogether, impossible.

Last year we reported seven of our students enlisted for overseas' service. This year the number has grown to eleven. Their names are as follows: Hon. Capt. T. W. Jones, association secretary; Lieut. T. W. Bale, Lieut. H. L. Broomfield, Sergt. G. Cooper, Sergt. H. N. Jackson, Bdr. J. H. Schofield, Pte. A. L. Richards, Cadet O. S. Craik, Pte. W. L. Cassidy, Pte. J. A. H. Plawright.

Corp. C. Cushing, son of a former member of your Board of Governors, and one of five brothers to enlist, has returned home wounded but is now happily convalescing. We are thankful that though some of these men have been in the thick of the fight from the first their lives have been spared.

STUDENTS IN ATTENDANCE.

It was felt that during the war large accessions to the student membership could not be expected. As a matter of fact, only two new students were received. Thirteen in all were in attendance during the greater part of the session, three of whom, however, are now on the roll of students enlisted.

SPECIAL LECTURES.

In view of the fact that war conditions prevented the appointment of a Principal, this College was particularly fortunate in securing the services of the Rev. Griffith-Jones, D.D., Principal of the Yorkshire United Independent College, to take up the work in homiletics for the Co-operating Colleges.

Dr. Griffith-Jones was with us during the whole of the first term, and not only lectured on the Theory of Homiletics, but also met the men in different groups for practical work. His work was much appreciated. Not only did he serve our colleges, but our churches, and not only ours but those of other denominations to the utmost limit of time and strength.

In the second term we were favored by the presence of the Rev. Dr. Glen Atkins, of Providence, Rhode Island, for a shorter period. Dr. Atkins was with us for one month, lecturing on the "History of Preaching," and meeting groups of men for practical work, as did Dr. Griffith-Jones. His visit also was an inspiration and delight.

We are anticipating that a similar service will be rendered the college next session by the Rev. D. L. Ritchie, Principal of Nottingham Institute, England.

SPECIAL CONVOCATION.

A special Convocation was held in January last, to confer the degree of Doctor of Divinity, *honoris causa*, on the Rev. Hilton Pedley, B.A. Mr. Pedley graduated from this college in 1889 and went at once as a missionary to Japan. This honor was conferred upon him in recognition of his distinction as a student of the Japanese language, and his eminent services as a missionary for twenty-six years in that island kingdom.

EXAMINATIONS.

Diploma Course: The Christmas and Sessional Examinations were held as usual, and with a fair amount of success. Unfortunately we had no graduates, either in Arts or Theology. Our students, however, in competition with those of the other theological colleges worthily maintained the honor of their own institution.

To Mr. J. A. Steed, B. A., was awarded the Maria Sawtell Memorial Scholarship of \$30 for highest standing in the Middle Theological Year, and to Mr. G. H. Kingston the Charles Alexander Bursary of \$25 for a similar standing in the Junior Year.

Mr. A. K. McMinn was awarded the James Baylis' Bursary of \$25 on his successful entrance into the Arts' Course.

B. D. Course: The following have passed various examinations leading to the degree of B.D., viz., the Rev. Matthew Kelly, of Fergus, Ont.; the Rev. A. E. Teale, of Waterville, Quebec, and students J. A. Steel, B.A., and R. D. Tannahill, B.A.

Union Reading Course: Examinations were conducted in behalf of the Union for the following missionary pastors, viz., Mr. F. J. Nealzard, of Fitch Bay; Mr. Duncan McColl, of Middleville; Mr. F. G. Purnell, of Brooklyn, and Mr. Campbell Tavener, of Economy.

ACKNOWLEDGMENTS.

Mention should be made in this report to the kindness of the Chairman of the Board of Governors, Mr. Charles Gurd, in entertaining at supper, the Senate, students and visiting ministers in connection with the special Convocation, also for tickets admitting students to the gymnasium of the Y.M.C.A.

The thanks of the Senate are also due to Dr. Harold Cushing for his gratuitous services to the Institution, to the Revs. Dr. Day and G. Ellery Read for assistance in extra-mural examinations, and to students Knighton and McMinn, representatives of the students on the Pulpit Supply Committee, as well as to student R. D. Tannahill for his work on the library.

Respectfully submitted,

W. HENRY WARRINER,
Acting Principal.

LIBRARIANS' REPORT FOR THE YEAR ENDING MAY 31st, 1917.

To the Board of Governors:

Gentlemen:—A catalogue of the four Theological Colleges has now been completed and placed in "Divinity Hall." This makes our library with the others accessible to all, and has already proved to be of great advantage. A central library is also being gathered. Among our first aims will be the making of this central library most efficient for what may be called practical theology, and a beginning has already been made in the departments of Religious Pedagogy, Sociology and Missions.

It will, however, be always necessary to secure some books for the separate libraries so as to have them easily accessible to resident students. We have this year added about sixty-seven books to our own library. These have been chiefly in the Department of New Testament, i.e., the Department of the Acting Principal, and in the Department of Church History, which latter, while rich in certain ancient works, has been deficient in the works of modern authors.

On account of our not having had any public functions during the past year, our funds have not been aided by collections, we are, therefore, all the more fortunate in having an endowment, the interest of which, though not large, has enabled us to buy some much needed books.

The expenses of management have been kept exceedingly low. This has been due in the first place to the fact that the services of the Librarian of the Co-operating Colleges, are also given for the catalogueing of new books in the separate colleges, and in the second place, to the constant care and gratuitous service of one of our students, Mr. R. D. Tannahill, B.A., to whose able assistance the Acting Principal is much indebted.

To the generosity of our Chairman, Mr. Gurd, we are again indebted for special contribution to this magazine table.

The financial statement herewith attached shows a balance in hand of \$69.95.

Respectfully submitted,

W. HENRY WARRINER,

Librarian.

REPORT OF THE HOUSE COMMITTEE OF THE BOARD OF GOVERNORS OF THE CONGREGATIONAL COLLEGE OF CANADA.

The House Committee would report that the rooms of the College require renovation, but, owing to prevailing conditions and the reduction in the number of students, it was thought best to defer the matter.

The shed is being re-constructed. This renovation was imperative, besides which the shed will hold more coal, which will be a great advantage both as to convenience and economy.

The incoming Board will require to deal with the matter of modernizing the heating apparatus.

The principal's residence is still vacant. The Committee had propositions with regard to renting it, but in view of the fact that this would involve the payment of taxes to an amount which would undoubtedly equal the net return, it was decided to leave matters alone. The work of the Committee has been rendered easy and pleasant by reason of the tact and interest of Rev. Acting Principal Warriner, and because of the energies of the ladies.

The steward and stewardess have rendered their usual faithful service.

Respectfully submitted,

CHARLES GURD,

Convenor.

THE LADIES' AUXILIARY COMMITTEE OF THE CONGREGATIONAL COLLEGE ANNUAL REPORT FOR YEAR ENDING MAY 31st, 1917.

OFFICERS.

Hon. President—Mrs. C. R. Black.

President—Mrs. W. D. Lighthall.

First Vice-President—Mrs. Hugh Pedley.

Second Vice-President—Mrs. W. H. Warriner.

Treasurer—Mrs. Charles Gurd.

Secretary—Mrs. W. H. Smith.

Committee—Mrs. C. R. Black, Mrs. W. D. Lighthall, Mrs. Hugh Pedley, Mrs. W. H. Warriner, Mrs. Charles Gurd, Mrs. H. J. Kilbourn, Mrs. T. W. Davidson, Mrs. C. Cushing, Mrs. R. McLachlan, Mrs. A. McA. Murphy, Mrs. W. W. Watson, Mrs. John Leslie, Mrs. Vasey, Miss Surgeon, Mrs. W. H. Smith.

The work of the Committee has been unusually light the past year, owing to the fact that only a small number of the societies caring for rooms in the College have contributed to their support. The societies heard from during the year were Fitch Bay, Sherbrooke, Zion and Point St. Charles. The treasurer reports disbursements \$42.07, with a balance of \$17.72.

A gift from the Scholes' estate consisting of carpets, furniture and pictures was gratefully received. The carpets have been made into rugs for the students' rooms the pictures have been hung and have added wonderfully to the appearance of the sitting rooms, halls and sleeping rooms, and Mr. Scholes' picture adorns the walls of the Assembly Hall.

During the year three of students have enlisted, making a total of eight from the College.

We feel that the seeming lack of interest on the part of the ladies' societies this year is due to the all absorbing interest in the war, but the fact still remains that the needs of the College must be met, and we trust that the coming year will bring many much needed gifts for the students' rooms.

Respectfully submitted,

HELEN M. SMITH,

Secretary.

TREASURERS' REPORT.

The Treasurer has to report a slight falling off in contributions from the churches of \$86.25. If two of our largest churches had remitted the same as last year we would have received \$60.00 more for this year, but neither of them gave anything.

In the Western Assoc., 14 churches remitted \$260.98, an increase of \$55.00.

In the Toronto Assoc., 9 churches remitted \$182.30, a decrease of \$86.00.

In the Eastern Assoc., 8 churches remitted \$127.35, a decrease of \$5.00.

United Brethren, \$12.00 a slight increase.

Quebec Association, 13 churches remitted \$931.69, a decrease of \$7.00.

Maritime Association, 11 churches remitted \$69.43, a decrease of \$0.14.

Northwest Association, 5 churches remitted \$84.65, an increase of \$5.00.

Last year 2 churches remitted \$79.65.

A total of \$1,668.40 from 60 churches, only 46 per cent. of the apportionment of \$3,075 for the denomination.

Our thanks are again due to Mrs. S. H. C. Miner for her contribution of \$1,800.00.

Last year the deficit in Revenue Account was \$3,083.73, this owing to our reduced liabilities for the year, is now \$1,730.82.

On behalf of the Trustees' Endowment Fund, I have to report a legacy from the estate, late Truman Silcox of \$1,914.70 for the Young Peoples' Society Lectureship on the English Bible.

With the addition of a mortgage of \$5,000.00 at 7 per cent. to the list, the investments are the same as last year.

I hereby present the financial statements duly audited by Mr. E. A. Wright, L.I.A.

AUDITOR'S REPORT.

Mr. Wright has attached the following to the list of securities in the Journal.

Verified with books, value of securities not vouched for, signed E. A. Wright, L.I.A.

CONGREGATIONAL UNION OF NOVA SCOTIA AND NEW
BRUNSWICK.

OFFICERS

Chairman—Rev. H. G. Wright, Kingsport.*Secretary*—Rev. E. J. Thompson, Kewswick Ridge.*Assistant Secretary*—Rev. J. H. Sulston, Margaree.*Treasurer*—Mr. J. W. Flewelling, St. John.

The seventieth annual meeting was held at Economy, N.S., June 27th to July 1st, 1917.

The meetings opened on Wednesday, June 27th, with a praise meeting led by the Rev. J. H. Sulston. At 8 p.m. the Union was called to order. The minutes were taken as read. Messrs. F. G. Purnell and A. E. Williams were appointed Minute Secretaries, and the Revs. E. J. Thompson and H. G. Wright were appointed a Nominating Committee. After the singing of a hymn the Rev. A. F. Pollock, B.D., Chairman of the Canada Congregational Union, gave a very inspiring address on "The Signs of the Times." An offering was taken for the Union.

Thursday, June 28th.—At 9.30 the service of prayer and praise was led by Mr. F. G. Purnell. When business was resumed, at 10 o'clock, the minutes were read and approved. The Nominating Committee recommended that the Rev. H. G. Wright be chairman for 1918; that the Rev. E. J. Thompson be re-elected secretary, and Rev. J. H. Sulston, assistant secretary; that Mr. J. W. Flewelling be re-elected treasurer and Rev. A. E. Mann, statistical secretary. The foregoing were all elected by the Union.

The following with the officers were then elected as the Union Committee: Revs. Thos. Hall, J. Kerr Thompson, Ph.D., A. F. Pollock, B.D., Dr. Gunn; Messrs. F. G. Purnell, C. Durning, Campbell Farener, A. E. Williams, Gordon O'Hara, A. M. Anthony, S. O'Brien, C. Beattie and Capt. Huntly.

The following representatives were then elected:

C.C.M.S. and C.C.F.M.S.—Rev. A. G. Wright.

College Senate—Revs. E. J. Thompson and A. E. Mann.

The Rev. A. E. Mann was elected Union preacher for 1918. Alternate—Rev. J. W. Cox.

Auditors—Rev. E. J. Thompson and Mr. A. M. Anthony.

The roll was next called, several of the churches failing to respond by delegates.

The reports from the churches were next taken, most of these were of an encouraging nature, though perhaps not so optimistic as in recent years, the war having taken many of the young men from church activities. There were no applications for admission or dismissal, but the Secretary moved the following sit as corresponding members: Dr. Gunn, Revs. A. F. Pollock, B.D., Thos. Hall, J. Kier Thompson and Messrs. Gordon O'Hara, F. G. Purnell and Campbell Farener.

On the resumption of the business, at 2.30, the minutes were read and adopted. At 3 o'clock, Mr. Gordon O'Hara spoke on the financial side of the Home Missionary Society, and at 3.30, Dr. Gunn addressed the meeting on "Keeping up with Africa," bringing before us the needs of the Dondi Institute.

The evening session opened with a devotional meeting, led by the Rev. H. G. Wright, after which the chairman gave his retiring address, "The Word of Command to the Christian Church. The Rev. A. E. Mann also spoke on the "Church and After-War Conditions." Both the addresses were of a thoughtful and helpful character. A large number of people were present. The offering was taken for the College.

Friday, June 29th.—The united prayer service was conducted by the Rev. Thos. Hall, whose very helpful scripture exposition was appreciated by all. At 10 o'clock and 2.30 the Union Committee spent two very strenuous sessions, and in the evening the Women's Board held their annual meeting.

Saturday, June 30th.—Mr. Campbell Farener led the devotional service. At 10 o'clock the minutes were read. The Union Committee presented the following recommendations, and all were adopted:

1. That the Revs. Dr. Gunn, E. J. Thompson and H. G. Wright be a committee to deal with matters relating to the Liverpool and Milton Churches.

2. That the action of the Secretary-Treasurer re Union funds be confirmed, and that the Treasurer be empowered to dispose of any stock at any time he thinks best and to advantage.

3. That the Revs. E. J. Thompson, T. Hall, H. G. Wright, A. E. Mann and Mr. C. Beattie be a committee to organize an evangelistic campaign to be held in the fall or early spring.

4. That the representatives to the College Senate urge upon the Senate the desirability of conferring the honorary degree of Doctor of Divinity upon our esteemed brother, the Rev. J. W. Cox.

5. That Mr. J. W. Flewwelling, Mr. C. Beattie, Mr. A. M. Anthony, and Revs. H. G. Wright and A. E. Mann act as the Apportionment Committee.

6. That we secure four pages of copy in the Year Book, etc.

The Resolutions' Committee brought forward several important resolutions which were adopted by the Union. Perhaps the chief of these were the following three:

CONSCRIPTION.

"Resolved that we urge upon the government the complete mobilization of all our resources in men by selective conscription, or by whatever method the government may deem best, also in material and wealth to the end that victory may be to the Allies, and for the cause of righteousness and freedom, and further, that we pledge ourselves and our churches to the fullest co-operation with the government in every possible way.

PROHIBITION.

"Resolved that we urge upon the Dominion Government the necessity of Dominion-wide prohibition, and that the manufacture of alcoholic drink should cease in the Dominion, with the exception of the necessary amount for medical and mechanical purposes."

CONDOLENCE.

"Resolved that we extend our deepest sympathies to all who have lost the following relatives or friends: Deacon Hagerman, Keswick Ridge; Mr. Elbz. Cox and Mrs. Wm. West, Kingsport; Miss Mary O'Brien, Noel; Mrs. Lenora Foote and Deacon Hill, of Economy; Mrs. Wm. Smith, St. John; Mrs. Nicholson, Brooklyn, and Mr. and Mrs. Wentzell, Beach Meadows.

On motion, the Union agreed to renew the licenses of Mr. F. G. Purnell and Mr. Campbell Farener.

Saturday afternoon was spent in recreation and in the evening, most of the delegates met at the home of Mr. C. Beattie for sing and social intercourse.

Sunday, July 1st.—Public worship was held at 10.30 o'clock. The Union preacher was the Rev. E. J. Thompson, of Keswick Ridge. The discourse was founded on the 8th verse in the 1st chapter of the Song of Solomon, "*Go thy way forth beside the footsteps of the flock and feed thy kids besides the shepherd's tents.*" It was a very timely plea for a faithful adherence to the Gospel amid the changes

which must come with the great war. There were many present at this service and the Lord was in the midst.

At 2.30 o'clock, Mr. J. W. Flewwelling took the chair at the Young Peoples' meeting. Mr. F. G. Purnell gave a very interesting address on, "Life's Supreme Moments." The Rev. J. Kier Thompson, Ph.D., spoke on, "What is Expected of the Youth of Our Empire," and Mrs. Hardy, a Baptist Missionary from Paleondah, India, spoke of the Telegue people, and the coming of the Gospel to them. This proved to be a very instructive session. An offering was taken for C.C.F.M.S.

The concluding meeting of the Union began at 7.30 o'clock on Sunday evening. The chairman led the service, and the Rev. Thos. Hall was the preacher. The text was, "They Have Healed the Hurt of My People Slightly." There was a congregation at this service which filled the building to its utmost, and many expressed their feeling of blessing. At 8 o'clock, the Consecration Service was held. Many testifying to the good they had received from the meetings, and all expressing regret that the meetings were at an end. Before the benediction was pronounced the delegates joined hands and sang "Blest be the Tie that Binds Our Hearts in Christian Love," and on motion, the Union adjourned to meet in 1918.

CONDENSED MINUTES OF THE THIRTY-FIRST ANNUAL MEETING OF THE C.C.W.B.M.

The thirty-first annual meeting of the Canada Congregational Woman's Board of Missions convened in the Embro Congregational Church on Tuesday, Wednesday and Thursday, May 29th, 30th and 31st, 1917. There were sixty registered delegates.

The Executive met on the afternoon of the 29th inst., the opening exercises of the first session that evening being conducted by the President, Mrs. Moodie.

On the recommendation of the Executive, Mrs. W. H. Black and Mrs. J. H. Wickson were appointed Minute Secretaries, and the various committees for the convention were chosen. Reports were heard from the different branches and unconnected auxiliaries in the West, through the secretaries' reports. At the tea hour on Wednesday greetings were brought from the W.M.S. of the Presbyterian and Methodist Churches, and Dean Braithwaite, of Western University, London, also spoke words of warm commendation on the work of the Board, inciting us to face the future crisis as staunchly as we had undertaken other responsibilities in the past.

Greetings were sent our missionaries in Africa and Turkey, and letters of sympathy sent to Judge Leet, of Montreal, on the death of his devoted wife, for many long years a loyal member of our Board. Congratulations were sent the W.B.M., of Boston, on the attainment of their golden jubilee this year. Greetings were also sent the Ottawa and Maritime branches soon to convene. The pastor and choir of the church greatly assisted us during the session and their help was greatly appreciated.

A children's hour was held at 7 p.m., on the last evening and was largely attended by the young folks of the village and neighborhood. The speakers at the evening sessions were Miss Amy E. McKowan, of the Japan Mission of the American Board, and Mrs. F. W. MacCallum, of Constantinople, the wife of the convention speaker seventeen years ago, when the Board last met in Embro.

Dr. W. T. Gunn addressed the last afternoon session speaking on "His Dominion," and introduced his subject by referring to the Home Mission Work of our churches in Canada. A very instructive paper on "Congregationalism

and Missions," was prepared by Mrs. Gilroy, of Hamilton, and read by Mrs. R. W. Carr.

Mrs. W. H. Black and Mrs. F. W. Read, of Montreal, were appointed to convey the greetings of the C.C.W.B.M. to the annual meetings of the C.C.M.S. and C.C.F.M.S. at Calvary Church, Montreal, the following week.

Mrs. E. J. Cody, President of the Embro Auxiliary, extended a very cordial welcome to the delegates in behalf of the entertaining ladies, and Mr. E. G. Warren, the pastor, gave the welcome in behalf of the church proper.

The Noon Quiet Hours were conducted by Mrs. Black, of Montreal, and Mrs. R. Wightman, of Toronto, the devotional exercises being led by Mrs. Graham, of Guelph; Miss Miatt, of Toronto; Mrs. Ritchie, of Brantford, and Mrs. E. A. Cale.

The reports of the superintendents of the several departments of the organization, and also that of the Publication Committee told of a year of increased activity everywhere. The officers and superintendents of the Board were all re-elected with the exception of the Superintendent of Labrador Supplies, Miss Moodie, who being seriously ill was relieved of her appointment and Miss Mary Allen of Toronto chosen in her place. Mrs. Nasmith, of Toronto, was chosen convener of the Business Committee for 1918, and Mrs. C. R. Crowe, of Guelph, convener of the Committee of Resolutions.

A notice of motion was served providing for the appointment of a recording as well as a corresponding secretary next year.

A message of sympathy was sent from the meeting to the family of the late Rev. D. MacCallum, of Kingston, word of whose passing was received at the second evening session.

The President's address was full of interest, telling of the growth of Christian work in all countries, and of increased giving rather than retardment during the three years of the world war.

The Treasurer, Miss Thompson, reported the best year financially in the history of the Board.

The Secretary, Miss Silcox, reported a larger membership and more attempted and accomplished than ever before. Miss Elizabeth Read, of Montreal, had signified her willingness to go out to Africa to reinforce the teaching staff of our Chisamba Mission. The Board decided to adopt Miss Read as soon as the American Board notified us of their acceptance of her application. Miss Bell had returned to the field from her furlough, and she had been accompanied by Miss Mattie Wightman, of the Olivet Church, Toronto, who had gone out as an honorary worker.

The regular pledged work of the Board was re-assumed. The meeting decided to send a copy of the *Canadian Congregationalist* to the home of lady missionaries in Africa each year. The MacCallum Memorial Fund will be closed as soon as sufficient funds are on hand to do so. Branches were urged to so plan for their spring meetings as not to interfere with the attendance at the Board meeting. All money for African freight is henceforth to be sent to the Board Superintendent of Freight, Miss Clark (or to Mrs. Read if from Quebec branch).

The Publication Committee will continue its good work with the combined assistance of Mrs. Cale, convener, and Mrs. Read, the Misses Henderson, Arms and Snarr. In recognition of her many years of devoted service, Miss Thompson, the treasurer, was appointed official delegate to the jubilee of the W.B.M. in Boston, and all who could go at their own expense were asked to notify Miss Silcox in good time. By vote of the meeting, Miss Amy E. McKowan, one of the speakers, and a child of one of our former Mission Bands, was made a Life Member of the Board by those present.

The Secretary conducted the "Question Box," and a most helpful hour was passed in discussing ways and means. It was decided to accept the invitation of the Hamilton First Auxiliary, to meet with them in 1918.

Resolutions bearing on the temperance work; on the war; on the promotion of thrift and elimination of waste, and others on the distribution of the literature of the Board and training of the young, were endorsed heartily.

The *Monthly Leaflet* editor, Mrs. Savage, reported a good year, and the paper, with the help of some extra gifts, had more than paid its way once more. The assistant editor, Miss Richardson, was leaving for California, so would not be able to take the work this year.

At the close of the last session, Mrs. Read, of Montreal, and Mrs. Wightman, of Toronto, voiced the feelings of the visitors in extending and seconding a hearty vote of thanks to all who had so kindly and willingly helped to make our meetings the success they had been. Rev. Mr. Warren pronounced the benediction, the National Anthem was sung, and the meeting adjourned to convene in Hamilton in 1918.

LOUIE M. SILCOX,
Secretary.

WORLD CONGREGATIONALISM.

INCREASES EVERYWHERE BUT IN GREAT BRITAIN.

The statistics of the world's Congregationalism have again been compiled—after four years' interval, due to the war and the inaccessibility of the figures—by Mr. John Minshull, of the Finance Department of the Congregational Union of England and Wales. By comparison with the last statistics published in *The Christian World* of August 14th, 1913, these figures show that Congregationalism is increasing almost everywhere excepting in Great Britain, the land of its birth. The same may be said of the Sunday School, for while everywhere but in Great Britain there are large increases, in Great Britain the Congregational Sunday Schools have lost close upon 60,000 scholars in four years. In the tables given below the regions in which there are increases are marked with the + sign, while decreases are indicated by the — sign.

The returns supplied by the London Missionary Society show an increase in India, China and Madagascar, but in Polynesia there has not been much change.

In the four years the American Church membership returns show the substantial increase of 58,283, with a corresponding improvement in the totals of Sunday School scholars.

Church membership in Australia and New Zealand shows a decrease, but an increase is reported in Sunday School scholars.

No figures are available for the Free Congregational Churches on the Continent of Europe, although there are a number of such Churches in Austria-Hungary, Bulgaria, France, Holland, Poland, Portugal, Spain and Sweden.

BY-LAWS OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY.

GENERAL BY-LAWS.

I.—MEMBERSHIP.

1. *As Beneficiary Members*.—Ministers duly received by the Society through either of the branches hereinafter mentioned, and retaining their membership in connection with either fund in accordance with its by-laws.

2. *As Life Members*.—Any person not being Beneficiary Members, who shall have paid to the fund Twenty Dollars at one time.

3. *As Annual Members*.—Churches collecting for the fund, to be represented at the annual meeting, or at any special meeting held in the year following the payment of their collection, by one delegate, who shall not be a Beneficiary Member.

II.—ADMISSION OF BENEFICIARY MEMBERS.

1. Any Congregational Minister in Canada who is in good standing in the denomination and the Pastor of a Congregational Church or a Missionary of the Canada Congregational Foreign Missionary Society, or a Professor in the Congregational College of Canada, may be admitted as a Beneficiary Member of either branch of the fund by a majority of four-fifths of the Directors present, at any meeting of the Board.

2. Before confirming the admission of any applicants, the Board of Directors may, if they think it necessary, make enquiries concerning their general health; and if the result of their enquiries proves unsatisfactory, the Directors may either decline to confirm the reception, or require such additional remuneration as, in their opinion, would be sufficient to cover the extra risk.

III.—TERMINATION OF BENEFICIARY MEMBERSHIP.

1. Any Beneficiary Member, not an annuitant, ceasing to reside in Canada, shall thereby lose beneficiary claim on either fund, but the amount of his annual subscription to the Widows' and Orphans' Fund shall be placed to the credit of his family, under the condition of Article No. XII., then to accumulate with interest at the rate of six per cent. per annum until his death, when it shall be paid to such person or persons as may be lawfully entitled to receive it. Beneficiary members of the Retiring Ministers' Branch, ceasing to reside in Canada shall cease to have beneficiary claim, but may, in special cases, receive relief from the fund to the amount of their subscriptions to the fund.

2. Any Beneficiary Member, leaving the Ministry or the denomination shall thereby forfeit all claim upon the fund, unless he has been a member for ten years; but after having paid in ten years' annual subscriptions he shall have the privilege of withdrawing from the Society, and receiving as surrender value of his claim on its fund, an amount based upon the reasons of his withdrawal, as follows: If he leaves the country, but not the ministry of the denomination, he shall be paid three-fourths of the total amount of his annual subscriptions; if he enters the ministry of another denomination, he shall receive one-half of the total subscriptions paid; if he leaves the ministry, he shall be entitled to two-fifths of the total subscriptions paid. But no member shall be entitled to receive anything from the Society if he was not in good standing in the Congregational Union of Canada at the time of his withdrawal from the denomination or ministry.

3. Any Beneficiary Member who may have been connected with the Society, as such for a period of not less than five years, and who has paid all his annual premiums may, if he so desires, withdraw his membership from the Society, and claim a refund of two-fifths of the amount of the premiums paid in by him, if wife is still living.

IV.—RE-ADMISSION OF BENEFICIARY MEMBERS.

1. Any member returning to Canada (if permitted to resume his connection with the Widows' and Orphans' Branch) shall pay all arrears and an additional rate of 20 cents per annum for each year of his absence, and the amount accumulated to the credit of his family shall relapse to the fund.

2. Any member resuming his connection with the Retiring Ministers' Branch shall do so on conditions to be arranged by the Directors.

V.—MEETINGS.

1. An annual meeting of the Society shall be held at the same time and place as that of the Congregational Union of Canada, at which a report from the Directors, and the Treasurer's accounts shall be presented, Directors elected for the ensuing year and any other general business of the Society transacted.

2. Special meetings of the Society may be held at its pleasure, expressed at any meeting thereof, or at the call of the Directors.

3. Beneficiary Members, in connection with either branch of the Fund shall be entitled to attend and vote at all meetings of the Society.

4. In case of a division, a majority of two-thirds shall be necessary to constitute a vote.

VI.—MANAGEMENT.

1. The funds of the Society shall be held and managed by a Board of ten Directors (five to form a quorum), eight residing in or near the City of Montreal, to be elected annually by the Society.

2. The Directors, when elected shall, from their own numbers, choose a Chairman, Deputy-Chairman, Treasurer, and Secretary, and may make such standing rules for their own guidance (not being inconsistent with the Act of Incorporation and its amendments or by-laws), as they may deem needful, subject to the approval of the Society at the next annual meeting.

3. They shall also have power to fill vacancies in their own number, shall be eligible for re-election, and shall hold office until their successors are appointed and assume their duties.

VII.—INCOME AND INVESTMENTS.

1. The funds of the Society shall be derived from Annual Church Collections, Subscriptions, Donations and Legacies, the rates paid by Beneficiary Members, and the proceeds of investments.

2. The amount received for Church Collections, or otherwise contributed for the general purposes of the Society, shall be divided between the Branches at the discretion of the Board; but money contributed from any source, and especially designated for either Branch, shall be so applied.

3. The Funds shall be invested only in undoubted securities to be held on the Society's behalf by the Chairman or Deputy-Chairman and the Treasurer, in the name of the Incorporated Society.

4. Any investments or transfers from one investment to another shall be made only by vote of the Board.

5. The Treasurer shall give such security to the Board for the funds in his possession as they may from time to time require.

VIII.—DISPUTED CASES.

In the case of any dispute arising between Beneficiary Members on Annuitants and the Directors of the Society, each party shall choose an arbitrator, and these, if necessary, an umpire, whose decisions shall be final.

IX.—REVISAL OF RATES AND ANNUITIES.

The amount of the rates of premium and annuities shall be reconsidered at each fifth annual meeting, reckoning from that held in 1863, and should any re-adjustment be needed such re-adjustment shall not be deemed to be a violation of good faith by any parties whatsoever.

X.—ALTERATION OF BY-LAWS.

The By-laws of the Society may be enacted, amended or repealed at any annual meeting, provided that notice to such effect has been given at the previous annual meeting. But this shall not apply to the case provided for in By-law IX.

WIDOWS' AND ORPHANS' BRANCH.

XI.—BENEFICIARY SUBSCRIPTIONS.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Widows' and Orphans' Branch:—

1. By those received under thirty years of age, and by Alumni of the Congregational College of Canada, subscribing within twelve months from the date of their ordination, Ten Dollars.

2. By those received over thirty and under forty years of age, Twelve Dollars.

3. By those received over forty and under fifty years of age, Fourteen Dollars.

4. By those received over fifty and under sixty years of age, Sixteen Dollars

5. By those received over sixty years of age, such a special rate as may be agreed to by the Society.

6. All subscriptions to be payable semi-annually on the 1st of January and July, and if not paid within three months, to be subject to a fine of \$1. If not paid within twelve months, due notice having been given by the trustees, the minister so in arrears shall be held to have withdrawn from connection with the fund.

7. Any Beneficiary Member, who shall have paid thirty annual premiums, according to the above assessment, shall be exempt from further subscriptions, and shall maintain his status as a Beneficiary as before.

XII.—ANNUITIES.

There shall be paid from the funds of the Society to the families of the Beneficiary Members the following annuities:—

1. To the Widows for life, or until re-marriage, Two Hundred Dollars per annum.

2. To their Widows for each Son under the age of sixteen years. Thirty-five Dollars, but Seventy Dollars for the youngest child.

3. To Guardians on behalf of Orphans, Seventy Dollars for the youngest and Forty-five Dollars for each other child, and two-thirds of what would have been payable to the Mother had she not deceased, until they attain the ages mentioned in the preceding section, provided, nevertheless, that the Directors shall have power to delay such payments to Guardians until they are satisfied that they will be properly applied.

4. It shall be competent for the Society, on recommendation of the Directors, to continue an annuity to a Orphan by special annual grant beyond the period named in Article 2, should there be special reasons for so doing.

RETIRING MINISTERS' BRANCH.

XIII.—BENEFICIARY SUBSCRIPTIONS.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Retiring Ministers' Branch:—

1. By those received under thirty years of age, and by Alumni of the Congregational College of Canada, subscribing within 12 months from the date of their ordination, Four Dollars per annum.

2. Those received over 30 and under 35 years of age, Five Dollars per annum.

3. Those received over 35 and under 40 years of age, Six Dollars per annum.

4. Those received over 40 and under 45 years of age, Seven Dollars per annum.

5. Those received over 45 and under 50 years of age, Eight Dollars per annum.

6. Ministers over 50 years of age shall be received only on such terms as the Directors may agree to.

7. Ministers who may pay at once, or for whom may be paid by their Churches or by others, a sum equal to the amount of fifteen years' purchase, according to the age rate indicated above, may become Beneficiary Life Members.

XIV.—ANNUITIES.

1. Beneficiary Members of this Branch having attained the age of 65 years and having been compelled to resign the active duties of the ministry, shall be entitled to an annuity of \$200 for life, payable quarterly, from the Retiring

Ministers' Fund; but should there be any good or sufficient reason why it should not be paid—of which reason the Society shall be the sole and sufficient judge—it shall not be paid, anything in these by-laws to the contrary notwithstanding.

2. It shall be competent for the Society, on recommendation of the Directors, to increase the annuity of any Beneficiary Member by a special or annual grant, not exceeding the sum of \$100 per annum additional, and said grant may be made for life, by regular vote, after 12 months' notice given at any annual meeting of the Society.

3. Should the income of either the Retiring Ministers' or Charitable Fund not be sufficient for the payment of annuities for which it is liable, it shall be right and proper for the Society to make such reduction, *pro rata*, on all annuities as will cover the deficiency, anything in these by-laws to the contrary notwithstanding.—See By-law XVI., Clause 2.

XV.—CHARITABLE FUND.

1. The proportion of Charitable Subscriptions, Donations, Legacies, and Church Collections available shall be placed to the credit of an account to be called the Charitable Fund, until the sum of One Thousand Dollars is secured, the interest of which only shall be available for grants or annuities.

2. After \$1,000 is secured, one half of said Subscriptions, Collections, etc., shall be reserved to constitute an Endowment Fund, until the sum of \$5,000 has been secured.

3. The other half with the proportion of interest due to this account, shall be available for grants or annuities; but should the income in any year exceed the disbursements of that year, the surplus, after allowing a small balance for contingencies, shall be added to the Endowment.

XVI.—CHARITABLE ANNUITIES.

1. The Society may, from the Charitable Fund, make special or annual grants to any aged or infirm Congregational Minister laboring in Canada, though not a Beneficiary Member.

2. Should the Retiring Ministers' Fund not be sufficient for the claims of annuitants, it shall be proper to supplement that Fund from the Charitable Fund.

THE CONGREGATIONAL PROVIDENT FUND SOCIETY ANNUAL MEETING.

The Provident Fund Society held its annual meeting in connection with the Union meetings at Calvary Church, Montreal, at 5 p.m. on the 7th of June, 1917.

The Hon. Life President, Mr. Charles R. Black, was unanimously requested to take the chair, which he did, and Mr. W. H. Black acted as secretary.

After prayer, by the Rev. Mr. Read, the minutes of the last annual meeting, which had been printed in the Year Book, were taken as read and confirmed.

The reports of the Secretary and Treasurer having been read, were on motion of the Rev. Mr. Read, seconded by the Rev. Mr. Daley, received and adopted; the mover and seconder, as well as a number of other members of the Society, speaking in eulogistic terms of the services rendered by the Directors and officers, and of the advantages offered by the Society.

On motion, duly passed, the Board and the Auditor were re-elected as follows:

Mr. Charles Gurd, Mr. W. A. Wood, Mr. T. B. Macaulay, Mr. W. W. O'Hara, Mr. A. McA. Murphy, Mr. W. H. Black, Mr. Arthur Birks, Mr. Thomas Moodie, Mr. Henry O'Hara, Mr. B. W. Robertson. Mr. John Anderson, Auditor.

It was moved by Mr. A. McA. Murphy, seconded by the Rev. E. D. Silcox, and unanimously resolved:

"That the congratulations of the Society be extended to the Chairman, Mr. Charles R. Black, on having celebrated recently the sixtieth anniversary of his wedding."

After prayer, by the Rev. E. D. Silcox, the meeting adjourned.

DIRECTORS' REPORT

Montreal, 1st June, 1917.

The Directors have pleasure in reporting another year's operations of your Society. The main business of the year will be found in the report of the Treasurer, and we would recommend a study of that report, not only by your members, but also by the whole body of our ministers, many of whom we regret to say, have not availed themselves of the benefits offered by the churches through the Provident Fund Society.

The balance sheet exhibits assets of \$48,555.00 in the Widows' and Orphans' Branch, and of \$22,430.00 in the Retiring Ministers' Branch. This is well invested, and the amount shows constant growth.

The Board has the keenest desire to improve the position of the Society, in order that the payments to beneficiaries may be increased, but also desires that the latter should include every minister in the denomination in Canada, to whom we are offering a most desirable and profitable membership, entitling them to benefits which though relatively small perhaps are still an amazing return on the payments they are asked to make. We would like a universal membership for the sake of the Society also. Where the pastor is not interested to become a member of the Society, he is generally not interested to see that a regular annual contribution is made to our funds. Many of the churches have not contributed. There is a distinct similarity between membership and non-membership and contributions and non-contributions.

The Board would recommend that Mr. Thos. Moodie be re-appointed as the representative of the Society in the Additional Gifts Campaign, and that Mr. John Anderson be re-elected auditor.

It will be your duty at this meeting to elect the Board of Directors for the coming year.

W. H. BLACK,

Secretary.

OFFICERS OF THE BOARD, 1917-1918.

Honorary Life President—Charles R. Black.

Chairman—Charles Gurd.

Vice-Chairman—A. McA. Murphy.

Secretary—W. H. Black.

Treasurer—Thomas Moodie.

Board of Directors—Mr. Chas. Gurd, Mr. W. A. Wood, Mr. T. B. Macaulay, Mr. W. W. O'Hara, Mr. A. McA. Murphy, Mr. W. H. Black, Mr. Arthur Birks, Mr. Thomas Moodie, Mr. Henry O'Hara, Mr. B. N. Robertson.

The Treasurer can report a good year. True, there is a falling off in the total churches contributing of three, and in collections of \$26.16, but considering the times we have much cause for thankfulness.

In the Western Association, 9 churches remitted \$58.18.

In the Central Association, 7 churches remitted \$178.58.

In the Eastern Association, 6 churches remitted \$68.90.

United Brethren, \$5.00.

In the Quebec Association, 8 churches remitted \$333.15.

In the Maritime Association, 3 churches remitted \$8.07.

In the North West Association, 1 church remitted \$8.80.

A total of \$660.68, 66 per cent. of the apportionment for the denomination.

In the W. and O. B. we have carried \$2,000.00 to Capital Account, leaving \$335.01 at credit of Revenue.

In the R. M. B. we have carried \$2,000.00 to Capital, the largest amount in any year, leaving \$343.21 at credit of Revenue.

One beneficiary, the Rev. J. K. Unsworth, D.D., having left the denomination, has claimed and been paid two-fifths of what he had paid into the two branches.

We have sold eighty shares of the Montreal Light, Heat & Power Co. stock at 165 per cent.; we list the stock at 150 per cent., the proceeds have been re-invested in a mortgage at 70 per cent.

During the year in the W. and O. B., through the death of the Rev. Edwin Hobbs, his widow has been added to the list of annuitants, and one, Mrs. Wm. McIntosh, has passed to her heavenly home.

And our two annuitants in the R. M. B., Rev. W. Wye Smith and Rev. D. Macallum, have gone to their rest after long years of faithful service.

Next year will be the time to revise the annuities, and it is probable the increase will be considerable.

The investments are all in good shape.

The financial statements duly audited are herewith presented.

The whole respectfully submitted.

THOS. MOODIE,
Treasurer.

CHURCH'S COLD WATER Alabastine

Artistic and Healthful

It Won't Rub Off

No one who has ever decorated a room with Alabastine can rest content until the whole home is so decorated. Alabastine tints have more tone than wall paper, paint, or whitening-and glue preparations. The minute rock crystals, of which this hygienic cement is made, reflect the rays of light softly and cheerfully---and actually make the room several degrees brighter. Alabastine does not rub off, peel, crack or decay. It is the most durable, healthful and economical wall covering. Your hardware dealer sells 5 lb. package 50c. Our book "Homes, Healthful and Beautiful," mailed free on request, tells how to do artistic work.

A Pure, Sweet Tone That Defies Both Time and Climate

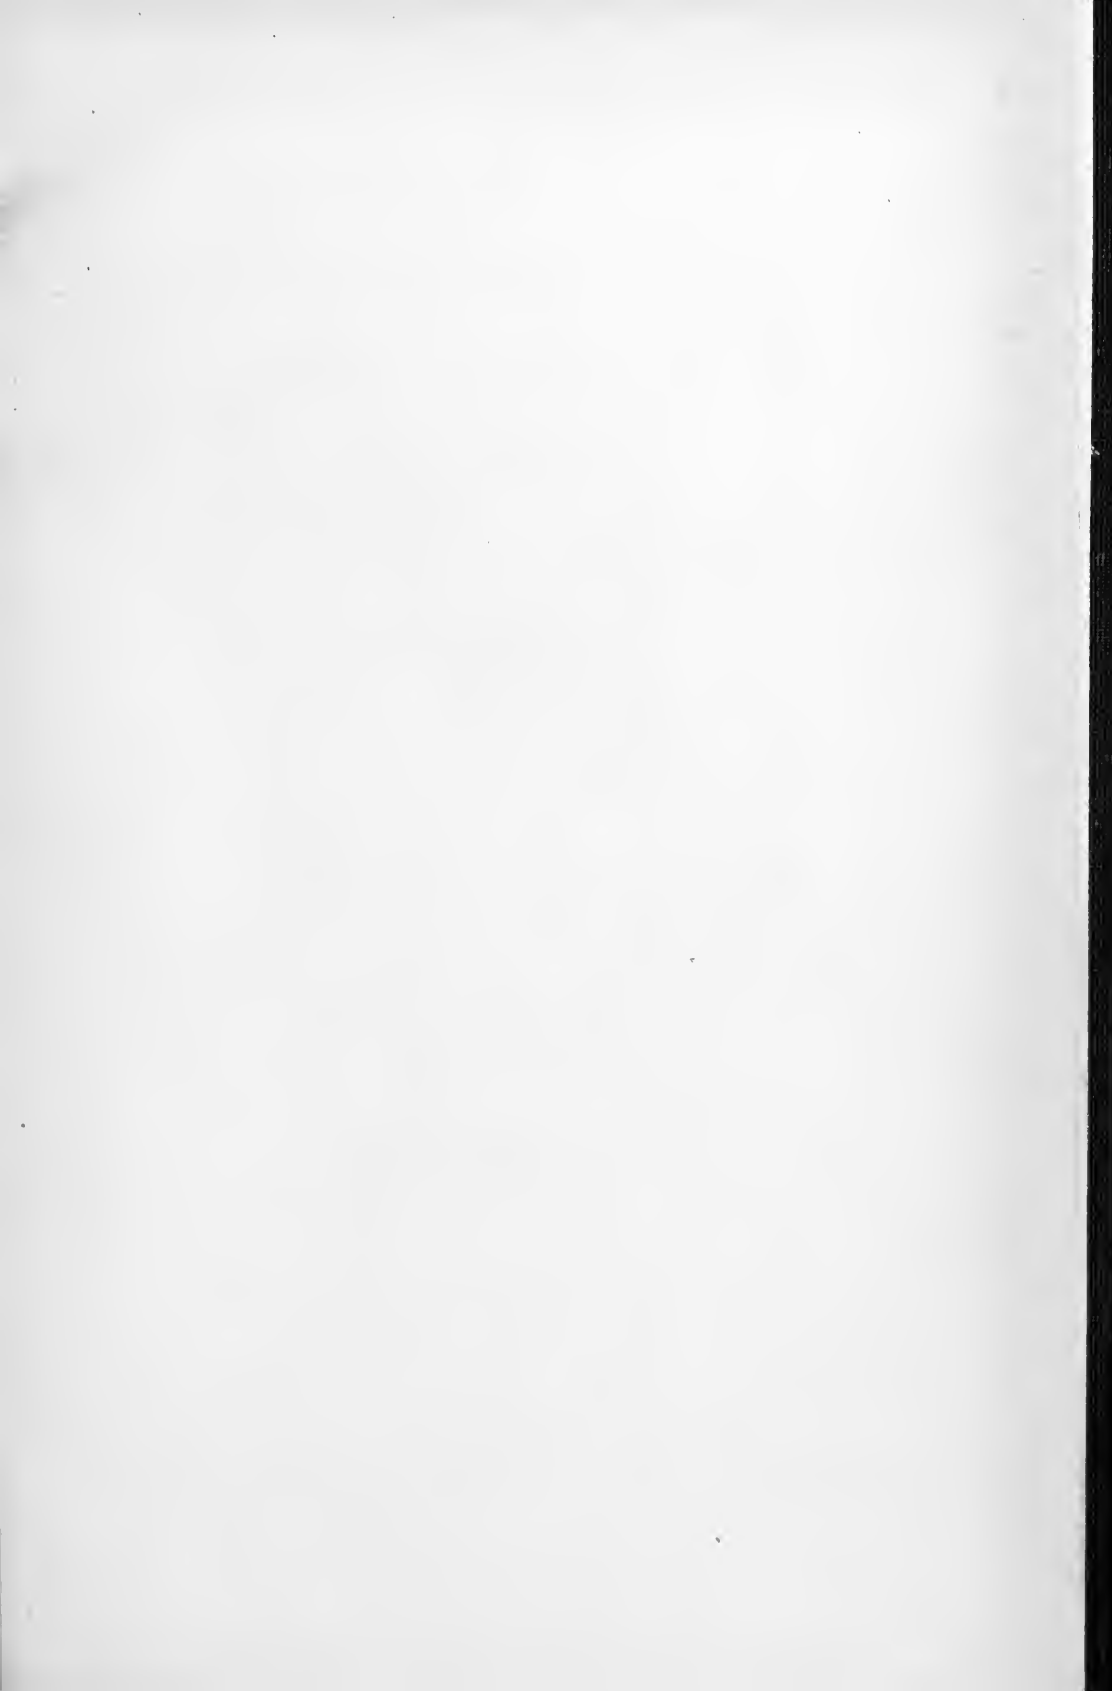

is built solidly into Dominion Pianos by means of its patented metal arch plate frame. This exclusive betterment does away with the use of wooden posts that warp and shrink with time and heat and cold, and so cause the strings to lose their tone and sweetness. Everything about the "Dominion" is built to endure a whole long lifetime. Not only that, but it comes to you on easy terms and at factory cost, as we do not include in our price the usual allowances for gift instruments to colleges and great artists for "testimonials," nor do we maintain expensive city warerooms. We give you all the savings.
